

(ii) such transaction also constitutes a Change of Control (regardless of whether a Holder has the right to require the repurchase of Notes pursuant to Section 3.03) and (iii) 10% or more of the consideration for the Common Stock (valued as set forth in Section 10.06 hereof) consists of cash, other property or securities that are not traded or scheduled to be traded or scheduled to be traded immediately following such transaction on a United States national securities exchange or the Nasdaq National Market, then, for purposes of determining the Conversion Value, the Conversion Price in respect of such Notes shall be decreased such that the Conversion Rate shall be increased by an additional number of shares of Common Stock (the "Additional Shares") determined as set forth in Section 10.06.

(b) In the case of any distribution described in Section 10.01(a)(3), the Bid Solicitation Agent shall have no obligation to determine the Trading Price of the Notes unless the Company has requested such determination in writing, and the Company shall have no obligation to make such request unless a Holder of the Notes provides the Company with reasonable evidence that the Trading Price of the Notes on any date would be less than 95% of the product of (x) the Common Stock Price on such date and (y) the Conversion Rate then in effect. Upon receipt of such reasonable evidence, the Company shall instruct the Bid Solicitation Agent in writing to determine the Trading Price beginning on the next Trading Day and on each successive Trading Day until the Trading Price of the Notes is greater than or equal to 95% of the product of the Common Stock Price and the Conversion Rate. The Company shall make the calculations described in Section 10.01(a)(3) hereof, using the Trading Price of the Notes provided by the Bid Solicitation Agent and will advise the Trustee (or Conversion Agent, as the case may be) within a reasonable time (and, in any event, no later than three Business Days prior to the Conversion Date) of any determination of the Trading Price of the Notes.

10.01(a)(4)(i)
(a)(4)(ii)
* distribution

In the case of the foregoing Section 10.01(a)(4)(i) and Section 10.01(a)(4)(ii), the Company shall cause a notice of such distribution to be filed with the Trustee and the Conversion Agent and to be mailed to each Holder of Notes no later than 20 days prior to the Ex-Dividend Date for such distribution. Once the Company has given such notice, Holders may surrender their Notes for conversion by delivering the Notes to the Conversion Agent at any time thereafter until the earlier of the close of business on the Business Day prior to the Ex-Dividend Date or the Company's announcement that such distribution will not take place; provided that, the Holder shall have no right to convert any Note pursuant to this Section 10.01(c) if the Holder of a Note otherwise participates in the distribution described in either Section 10.01(a)(4)(i) or Section 10.01(a)(4)(ii) without conversion of such Holder's Notes. The "Ex-Dividend Date" for any such distribution means the date immediately prior to the commencement of "ex-dividend" trading for such distribution on The New York Stock Exchange or such other national securities exchange or The Nasdaq Stock Market or similar system of automated dissemination of quotations of securities prices on which the Common Stock is then listed or quoted.

(c) A Holder may convert a portion of a Note equal to \$1,000 principal amount or any integral multiple thereof. Provisions of this Indenture that apply to conversion of all of a Note also apply to conversion of a portion of a Note. A Note in respect of which a Holder has delivered a Change of Control Purchase Notice pursuant to Section 3.03 may not be converted unless such Change of Control Purchase Notice is withdrawn pursuant to Section 3.04.

(d) A Holder of Notes is not entitled to any rights of a holder of Common Stock until, and only to the extent that, such Holder has converted its Notes into Common Stock.

Section 10.02 Conversion Procedure.

(a) To convert a Note, a Holder must satisfy the requirements of this Article 10 and (i) complete and manually sign the irrevocable conversion notice on the back of the Note and deliver such notice to the Conversion Agent, (ii) if the Notes are in certificated form, deliver the Note to the Conversion Agent, (iii) furnish appropriate endorsements and transfer documents if required by the Registrar or the Conversion Agent, (iv) pay any transfer or other tax, if required by Section 10.03 and/or (v) if the Note is held in book-entry form, complete and deliver to the Depositary appropriate instructions pursuant to the Applicable Procedures. The later of (x) the date on which the Holder satisfies all of the foregoing requirements and (y) the Determination Date is the "Conversion Date." As soon as practicable after the Conversion Date and in any event within four Business Days thereof, the Company shall deliver to the Holder through the Conversion Agent (1) cash in the amount calculated in accordance with Section 10.15 and (2) either (A) a certificate for or (B) a book-entry notation of the number of whole shares of Common Stock issuable upon the conversion and cash in lieu of any fractional shares pursuant to Section 10.15.

(b) The Person in whose name the Note is registered shall be deemed to be a stockholder of record on the Conversion Date; provided that no surrender of a Note on any date when the stock transfer books of the Company shall be closed shall be effective to constitute the Person or Persons entitled to receive the shares of Common Stock upon such conversion as the record holder or holders of such shares of Common Stock on such date, but such surrender shall be effective to constitute the Person or Persons entitled to receive such shares of Common Stock as the record holder or holders thereof for all purposes at the close of business on the next succeeding day on which such stock transfer books are open (subject to the provisions of the next paragraph of this Section 10.02); provided that such conversion shall be at the Conversion Price in effect on the date that such Note shall have been surrendered for conversion, as if the stock transfer books of the Company had not been closed. Upon conversion of a Note, such Person shall no longer be a Holder of such Note.

(c) No payment or adjustment will be made for accrued interest, on a converted Note or for dividends or distributions on shares of Common Stock issued upon conversion of a Note, but if any Holder surrenders a Note for conversion between the record date for the payment of an installment of interest and the next interest payment

date, then, notwithstanding such conversion, the interest, payable on such interest payment date shall be paid to the Holder of such Note on such interest payment date. In such event, such Note, when surrendered for conversion, must be accompanied by delivery of a check payable to the Conversion Agent in an amount equal to the interest, payable on such interest payment date on the portion so converted. If such payment does not accompany such Note, the Note shall not be converted; provided that no such check shall be required if such Note is surrendered for conversion on the interest payment date. If the Company defaults in the payment of interest, payable on the interest payment date, the Conversion Agent shall repay such funds to the Holder.

(d) Upon surrender of a Note that is converted in part, the Company shall execute, and the Trustee shall, upon receipt of a written order of the Company signed by two Officers, authenticate and deliver to the Holder, a new Note equal in principal amount to the unconverted portion of the Note surrendered.

Section 10.03 Taxes on Conversion.

If a Holder submits a Note for conversion, the Company shall pay any documentary, stamp or similar issue or transfer tax due on the issue of shares of Common Stock upon the conversion. However, the Holder shall pay any such tax which is due because the Holder requests the shares to be issued in a name other than the Holder's name. The Conversion Agent may refuse to deliver the certificates representing the shares of Common Stock being issued in a name other than the Holder's name until the Conversion Agent receives a sum sufficient to pay any tax which will be due because the shares are to be issued in a name other than the Holder's name. Nothing herein shall preclude any income tax withholding required by law or regulations.

Section 10.04 Company to Provide Stock.

The Company has reserved shares of Common Stock to permit delivery of shares of Common Stock upon conversion of the Notes up to an assumed Five Day Average Closing Stock Price, and from time to time as may be necessary shall reserve out of its authorized but unissued shares of Common Stock a sufficient number of additional shares of Common Stock to permit delivery of shares of Common Stock upon the conversion of the Notes in full.

All shares of Common Stock delivered upon conversion of the Notes shall be newly issued shares or treasury shares, shall be duly and validly issued and fully paid and nonassessable, shall be free from preemptive rights and free of any lien or adverse claim, and shall have the same rights as all of the other outstanding shares of the Company's Common Stock. The Company will endeavor promptly to comply with all federal and state securities laws regulating the offer and delivery of shares of Common Stock upon conversion of Notes, if any, and will list or cause to have quoted such shares of Common Stock on each national securities exchange or in the over-the-counter market or such other market on which the shares of Common Stock are then listed or quoted.

Section 10.05 Adjustment of Conversion Price.

The Conversion Price shall be adjusted (without duplication) from time to time by the Company as follows:

(a) In case the Company shall pay a dividend or make a distribution on the Common Stock payable exclusively in Common Stock, the Conversion Price in effect at the opening of business on the day following the date fixed for the determination of stockholders entitled to receive such dividend or other distribution shall be decreased by dividing such Conversion Price by a fraction of which the denominator shall be the number of shares of Common Stock outstanding at the close of business on the date fixed for such determination and the numerator shall be the sum of (i) such number of shares and (ii) the total number of shares constituting such dividend or other distribution, such decrease to become effective immediately after the opening of business on the day following the date fixed for such determination. For the purposes of this paragraph (a), the number of shares of Common Stock at any time outstanding shall not include shares held in the treasury of the Company. In the event that such dividend or distribution is not so paid or made, the Conversion Price shall again be adjusted to be the Conversion Price which would then be in effect if such dividend or distribution had not occurred.

(b) In case the Company shall pay or make a dividend or other distribution on its Common Stock consisting exclusively of, or shall otherwise issue to all holders of its Common Stock, rights, warrants or options, in each case entitling the holders thereof to subscribe for or purchase shares of Common Stock at a price per share less than the Market Price per share of the Common Stock on the date fixed for the determination of stockholders entitled to receive such rights, warrants or options, the Conversion Price in effect at the opening of business on the day following the date fixed for such determination shall be decreased by dividing such Conversion Price by a fraction of which the denominator shall be the sum of (i) the number of shares of Common Stock outstanding at the close of business on the date fixed for such determination plus (ii) the number of shares of Common Stock which the aggregate of the offering price of the total number of shares of Common Stock so offered for subscription or purchase would purchase at such Market Price and the numerator shall be the sum of (i) the number of shares of Common Stock outstanding at the close of business on the date fixed for such determination plus (ii) the number of shares of Common Stock so offered for subscription or purchase, such decrease to become effective immediately after the opening of business on the day following the date fixed for such determination; provided, however, that no adjustment shall be made if Holders of the Notes may participate in the transaction on a basis and with notice that the Company's Board of Directors deems to be fair and appropriate. To the extent that rights are not so issued or shares of Common Stock are not so delivered after the expiration of such rights, warrants or options, the Conversion Price shall be readjusted to the Conversion Price which would then be in effect if such date fixed for the determination of stockholders entitled to receive such rights, warrants or options, had not been fixed. For the purposes of this paragraph (b), the number of shares of Common Stock at any time outstanding shall not include shares held in the treasury of the Company.

(c) In case the Company shall declare a cash dividend or distribution to all or substantially all of the holders of Common Stock, the Conversion Price shall be decreased so that the Conversion Price shall equal the price determined by multiplying the Conversion Price in effect immediately prior to the record date for such dividend or distribution by a fraction,

(i) the numerator of which shall be the average of the Common Stock Prices for the three consecutive Trading Days ending on the date immediately preceding the Ex-Dividend Date for such dividend or distribution (the "Pre-Dividend Sale Price"), minus the full amount of such cash dividend or distribution, to the extent payable in cash, applicable to one share of Common Stock, and

(ii) the denominator of which shall be the Pre-Dividend Sale Price, such adjustment to become effective immediately after the record date for such dividend or distribution; provided, that no adjustment to the Conversion Price or the ability of a Holder of a Note to convert will be made pursuant to this Section 10.05(c) if the Company provides that Holders of Notes will participate in such cash dividend or distribution on an as-converted basis without conversion; provided further, that if the numerator of the foregoing fraction is less than \$1.00 (including a negative amount), then in lieu of the foregoing adjustment, adequate provision shall be made so that each Holder shall have the right to receive upon conversion, in addition to the Common Stock issuable upon such conversion (and any cash in lieu of fractional shares), the amount of cash such Holder would have received had such Holder converted its Note on the record date for such dividend or distribution at the Conversion Rate and for the Conversion Value in effect on such record date. If such dividend or distribution is not so paid or made, the Conversion Price shall be adjusted to the Conversion Price that would then be in effect if such dividend or distribution had not been declared.

(d) Subject to the last sentence of this paragraph (d), in case the Company shall, by dividend or otherwise, distribute to all holders of its Common Stock evidences of its indebtedness, shares of any class or series of Capital Stock, cash or assets (including securities, but excluding any rights, warrants or options referred to in paragraph (b) of this Section 10.05 and any cash dividend or distribution referred to in paragraph (c) of this Section 10.05), the Conversion Price shall be decreased so that the same shall equal the price determined by dividing the Conversion Price in effect immediately prior to the effectiveness of the Conversion Price decrease contemplated by this paragraph (d) by a fraction of which the denominator shall be the Market Price per share of the Common Stock on the date fixed for the determination of stockholders entitled to receive such distribution (the "Reference Date") less the Fair Market Value, on the Reference Date, of the portion of the evidences of indebtedness, shares of capital stock, cash and/or assets so distributed applicable to one share of Common Stock and the numerator shall be such Market Price per share of the Common Stock, such decrease to become effective immediately prior to the opening of business on the day following the

Reference Date; provided that if the Fair Market Value of the portion of the evidences of indebtedness, shares of capital stock, cash and/or assets so distributed applicable to one share of Common Stock shall be greater than the Market Price per share of Common Stock, then in lieu of the foregoing adjustment, adequate provision shall be made so that each Holder shall have the right to receive upon conversion, in addition to the Common Stock issuable upon such conversion (and any cash in lieu of fractional shares), the amount of evidences of indebtedness, shares of capital stock, cash and/or assets so distributed that such Holder would have received had such Holder converted its Note on the record date for such dividend or distribution at the Conversion Rate and for the Conversion Value in effect on such record date; and provided, further, that no adjustment shall be made if all Holders of Notes are entitled to participate in such transactions. In the event that such dividend or distribution is not so paid or made, the Conversion Price shall again be adjusted to be the Conversion Price which would then be in effect if such dividend or distribution had not occurred. For purposes of this paragraph (d), any dividend or distribution that includes shares of Common Stock or rights, warrants or options to subscribe for or purchase shares of Common Stock shall be deemed instead to be (i) a dividend or distribution of the evidences of indebtedness, shares of Capital Stock, cash and/or assets other than such shares of Common Stock or such rights or warrants (making any Conversion Price decrease required by this paragraph (d)) immediately followed by (ii) a dividend or distribution of such shares of Common Stock or such rights, warrants or options (making any further Conversion Price decrease required by paragraph (a) or (b) of this Section 10.05), except any shares of Common Stock included in such dividend or distribution shall not be deemed "outstanding at the close of business on the date fixed for such determination" within the meaning of paragraph (a) of this Section 10.05.

(e) In case outstanding shares of Common Stock shall be subdivided into a greater number of shares of Common Stock, the Conversion Price in effect at the opening of business on the Business Day following the day upon which such subdivision becomes effective shall be proportionately decreased and, conversely, in case outstanding shares of Common Stock shall each be combined into a smaller number of shares of Common Stock, the Conversion Price in effect at the opening of business on the day following the day upon which such combination becomes effective shall be proportionately increased, such increase or decrease, as the case may be, to become effective immediately after the opening of business on the Business Day following the day upon which such subdivision or combination becomes effective.

(f) In case the Company pays to holders of Common Stock in respect of a tender or exchange offer, other than an odd-lot offer, by the Company or any of its Subsidiaries for Common Stock to the extent that the offer involves aggregate consideration that, together with (1) any cash and the Fair Market Value of any other consideration payable in respect of any tender offer by the Company or any of its Subsidiaries for shares of Common Stock consummated within the preceding 12 months not triggering a Conversion Price adjustment and (2) all-cash distributions to all or substantially all holders of the Company's Common Stock made within the preceding 12 months not triggering a Conversion Price adjustment, exceeds an amount equal to 12.5% of the market capitalization of Common Stock on the expiration date of the tender offer,

the Conversion Price shall be decreased so that the same shall equal the price determined by dividing the Conversion Price in effect immediately prior to the effectiveness of the Conversion Price decrease contemplated by this Section 10.05(f) by a fraction of which the denominator shall be the number of shares of Common Stock outstanding (including any tendered or exchanged shares) at the last time tenders of exchanges may be made pursuant to such tender or exchange offer (the "Expiration Time") multiplied by the Market Price per share of the Common Stock on the Trading Day next succeeding the Expiration Time and the numerator shall be the sum of (x) the Fair Market Value (determined as aforesaid) of the aggregate consideration payable to stockholders based on the acceptance (up to any maximum specified in the terms of the tender or exchange offer) of all shares validly tendered or exchanged and not withdrawn as of the Expiration Time (the shares deemed so accepted, up to any such maximum, being referred to as the "Purchased Shares") and (y) the product of the number of shares of Common Stock outstanding (less any Purchased Shares) at the Expiration Time and the Market Price per share of the Common Stock on the Trading Day next succeeding the Expiration Time, such decrease to become effective immediately prior to the opening of business on the Business Day following the Expiration Time.

In any case in which this Section 10.05 shall require that an adjustment be made immediately following a record date established for purposes of this Section 10.05, the Company may elect to defer (but only until five Business Days following the filing by the Company with the Trustee of the certificate described in Section 10.10) issuing to the holder of any Note converted after such record date the shares of Common Stock issuable upon such conversion over and above the shares of Common Stock issuable upon such conversion only on the basis of the Conversion Price prior to adjustment; and, in lieu of the shares the issuance of which is so deferred, the Company shall issue or cause its transfer agents to issue due bills or other appropriate evidence of the right to receive such shares.

Section 10.06 Adjustment for Certain Changes of Control.

The number of Additional Shares in connection with an adjustment of the Conversion Price as set forth in Section 10.01(a)(5)(C) shall be determined by reference to the table attached as Schedule A hereto, based on the date on which the corporate transaction becomes effective (the "Effective Date") and the stock price paid per share of Common Stock (valued as set forth in the next paragraph) in the corporate transaction (the "Stock Price"); provided that if the Stock Price is between two Stock Price amounts in the table or the Effective Date is between two Effective Dates in the table, the number of Additional Shares will be determined by a straight-line interpolation between the number of Additional Shares set forth for the higher and lower Stock Price amounts and the two dates, as applicable, based on a 365-day year.

The Stock Price per share of Common Stock shall be valued as follows:

- (i) if holders of the Common Stock receive only cash in the corporate transaction, the Stock Price shall be the cash amount paid per share of the Common Stock, and

(ii) in all other cases, the Stock Price shall be the average of the Common Stock Price on the five Trading Days prior to but not including the Effective Date.

Notwithstanding the foregoing, (i) if the Stock Price is equal to or greater than \$20 or less than \$3.10 (subject in each case to adjustment as described below), the number of Additional Shares shall be zero and (ii) in no event may the total number of shares of Common Stock issuable upon conversion exceed approximately 322.5806 per \$1,000 principal amount of Notes, subject to adjustments in the same manner as the Conversion Price as set forth in Section 10.05. The maximum amount of Additional Shares payable shall be 72.5806 per \$1,000 principal amount of Notes, subject to adjustments on the same basis.

The Stock Prices set forth in the first row of the table (i.e., column headers) in Schedule A hereto and set forth in the proviso at the first sentence of the first paragraph of this Section will be adjusted as of any date on which the Conversion Price of the Notes is adjusted pursuant to Section 10.05. The adjusted Stock Prices will equal the Stock Prices applicable immediately prior to such adjustment, multiplied by a fraction, the numerator of which is the Conversion Rate immediately prior to the adjustment giving rise to the Stock Price adjustment and the denominator of which is the Conversion Rate as so adjusted. The number of Additional Shares will be adjusted in the same manner as the Conversion Price as set forth in Section 10.05.

Section 10.07 When No Adjustment Required.

No adjustment of the Conversion Price shall be made:

- (a) upon the issuance of any shares of Common Stock pursuant to any present or future plan providing for the reinvestment of dividends or interest payable on securities of the Company and the investment of additional optional amounts in shares of Common Stock under any plan,
- (b) upon the issuance of any shares of Common Stock or options or rights to purchase those shares pursuant to any present or future employee, director or consultant benefit plan or program of the Company,
- (c) upon the issuance of any shares of Common Stock pursuant to any option, warrant, right or exercisable, exchangeable or convertible security outstanding as of the date the Notes were first issued,
- (d) upon the issuance of any rights, any distribution of separate certificates representing the rights, any exercise or redemption of any rights or any termination or invalidation of the rights, pursuant to the Company's stockholders rights plan, or
- (e) for a change in the par value or no par value of the shares of Common Stock.

There shall also be no adjustment of the Conversion Price in case of the issuance of any Common Stock (or securities convertible into or exchangeable for Common Stock), except as specifically described above.

Section 10.08 When Adjustment May Be Deferred.

No adjustment in the Conversion Price need be made unless the adjustment would require an increase or decrease of at least 1% in the Conversion Price (other than an adjustment described in Section 10.05(f)). Any adjustments that are not made under this Section 10.08 shall be carried forward and taken into account in any subsequent adjustment. All calculations under this Article 10 shall be made to the nearest cent, with one-half cent rounded up, or to the nearest 1/1,000th of a share, with 1/500th of a share being rounded up, as the case may be.

Section 10.09 Successive Adjustments.

After an adjustment to the Conversion Price under this Article 10, any subsequent event requiring an adjustment under this Article 10 shall cause an adjustment to the Conversion Price as so adjusted.

Section 10.10 Notice of Adjustment.

Whenever the Conversion Price is adjusted, the Company shall promptly mail to Holders of Notes a notice of the adjustment and concurrently file with the Trustee and the Conversion Agent such notice and a certificate from the Company's independent public accountants briefly stating the facts requiring the adjustment and the manner of computing such adjustment. The certificate shall be conclusive evidence that such adjustment is correct. Neither the Trustee nor any Conversion Agent shall be under any duty or responsibility with respect to any such notice and certificate (or the receipt of such notice and certificate or with the knowledge of any adjustment absent such notice and certificate) except to exhibit the same to any Holder desiring inspection thereof.

Section 10.11 Notice of Certain Transactions.

The Company shall mail to Holders of Notes and file with the Trustee and/or the Conversion Agent a notice stating the proposed record date for a dividend or distribution or the proposed effective date of a subdivision, combination, reclassification, consolidation, merger, binding share exchange, transfer, liquidation or dissolution, if any of the following occur:

- (a) the Company takes any action that would require an adjustment in the Conversion Price pursuant to Section 10.05 (unless no adjustment is to occur pursuant to Section 10.06); or
- (b) the Company takes any action that would require a supplemental indenture pursuant to Section 10.12; or
- (c) there is a liquidation or dissolution of the Company.

The Company shall file and mail such notice at least 15 days before the applicable date of any such transaction. Failure to file or mail the notice or any defect in it shall not affect the validity of the transaction.

Section 10.12 Effect of Reclassification, Consolidation, Merger, Share Exchange or Sale on Conversion Privilege.

If any of the following shall occur: (i) any reclassification or change of outstanding shares of Common Stock (other than a change in par value, or from par value to no par value, or from no par value to par value, or as a result of a subdivision or combination); (ii) any consolidation, combination, merger or share exchange to which the Company is a party other than a merger in which the Company is the continuing corporation and which does not result in any reclassification of, or change (other than a change in name, or par value, or from par value to no par value, or from no par value to par value, or as a result of a subdivision or combination) in, outstanding shares of Common Stock; or (iii) any sale or conveyance of all or substantially all of the assets of the Company; then the Company, or such successor or purchasing corporation, as the case may be, shall, as a condition precedent to such reclassification, change, consolidation, merger, share exchange, sale or conveyance, execute and deliver to the Trustee a supplemental indenture providing that the Holder of each Note then outstanding shall have the right to convert such Note into the kind and amount of shares of Capital Stock and other securities and property (including cash) receivable upon such reclassification, change, consolidation, merger, share exchange, sale or conveyance by a holder of the number of shares of Common Stock deliverable upon conversion of such Note immediately prior to such reclassification, change, consolidation, merger, share exchange, sale or conveyance. Such supplemental indenture shall provide for adjustments of the Conversion Price which shall be as nearly equivalent as may be practicable to the adjustments of the Conversion Price provided for in this Article 10. If, in the case of any such consolidation, merger, share exchange, sale or conveyance, the stock or other securities and property (including cash) receivable thereupon by a holder of Common Stock includes shares of Capital Stock or other securities and property of a corporation other than the successor or purchasing corporation, as the case may be, in such consolidation, merger, share exchange, sale or conveyance, then such supplemental indenture shall also be executed by such other corporation and shall contain such additional provisions to protect the interests of the Holders of the Notes as the Board of Directors of the Company shall reasonably consider necessary by reason of the foregoing. The provision of this Section 10.12 shall similarly apply to successive consolidations, mergers, share exchanges, sales or conveyances. Notwithstanding the foregoing, a distribution by the Company to all or substantially all holders of its Common Stock for which an adjustment to the Conversion Price or provision for conversion of the Notes may be made pursuant to Section 10.05 shall not be deemed to be a sale or conveyance of all or substantially all of the assets of the Company for purposes of this Section 10.12.

In the event the Company shall execute a supplemental indenture pursuant to this Section 10.12, the Company shall promptly file with the Trustee an Opinion of Counsel stating that such supplemental indenture is authorized or permitted by this Indenture and an Officer's Certificate briefly stating (a) the reasons therefor, (b) the kind

or amount of shares of stock or securities or property (including cash) receivable by Holders of the Notes upon the conversion of their Notes after any such reclassification, change, consolidation, merger, share exchange, sale or conveyance, (c) any adjustment to be made with respect thereto and (d) that all conditions precedent have been complied with.

Section 10.13 Trustee's Disclaimer.

The Trustee has no duty to determine when an adjustment under this Article 10 should be made, how it should be made or what such adjustment should be made, but may accept as conclusive evidence of the correctness thereof, and shall be protected in relying upon, the Officer's Certificate with respect thereto, which the Company is obligated to file with the Trustee pursuant to Section 10.10. The Trustee shall not be accountable for and makes no representation as to the validity or value of any securities or assets issued upon conversion of Notes, and the Trustee shall not be responsible for the Company's failure to comply with any provisions of this Article 10. Each Conversion Agent (other than the Company or an Affiliate of the Company) shall have the same protection under this Section 10.13 as the Trustee.

The Trustee shall not be under any responsibility to determine the correctness of any provisions contained in any supplemental indenture executed pursuant to Section 10.12, but may accept as conclusive evidence of the correctness thereof, and shall be protected in relying upon, the Officer's Certificate with respect thereto, which the Company is obligated to file with the Trustee pursuant to Section 10.12 of this Indenture.

Section 10.14 Voluntary Reduction.

The Company from time to time may decrease the Conversion Price by any amount at any time for at least 20 days, so long as the decrease is irrevocable during such 20-day period. Whenever the Conversion Price is decreased, the Company shall mail to Holders of Notes and file with the Trustee and the Conversion Agent a notice of the decrease. The Company shall mail the notice at least 15 days before the date the decreased Conversion Price takes effect. The notice shall state the decreased Conversion Price and the period during which it will be in effect. A voluntary decrease of the Conversion Price does not change or adjust the Conversion Price otherwise in effect for purposes of Section 10.15.

Section 10.15 Conversion Value of Notes Tendered.

(a) Subject to certain exceptions described in Sections 10.01(a)(3) and 10.01(a)(4), Holders tendering the Notes for conversion shall be entitled to receive, upon conversion of such Notes, cash and shares of Common Stock, the value of which (the "Conversion Value") shall be equal to the product of:

- (1) (A) the aggregate principal amount of Notes to be converted divided by 1,000 multiplied by (B) the Conversion Rate (including Additional Shares, if any); and

(2) the average of the Common Stock Price for the five consecutive Trading Days (appropriately adjusted to take into account the occurrence during such period of stock splits and similar events) including and immediately following the second Trading Day following the day the Notes are tendered for conversion (the "Five Day Average Closing Stock Price").

(b) Subject to certain exceptions described below and under Sections 10.01(a)(3) and 10.01(a)(4), the Company shall deliver the Conversion Value to converting holders as follows:

(1) an amount in cash (the "Principal Return") equal to the lesser of (a) the aggregate Conversion Value of the Notes to be converted and (b) the aggregate principal amount of Notes to be converted as of the date tendered for conversion;

(2) subject to the exceptions described below, if the aggregate Conversion Value of the Notes to be converted is greater than the aggregate Principal Return of the Notes to be converted, an amount in shares (the "Net Shares"), determined as set forth below, equal to the difference between such aggregate Conversion Value and such aggregate Principal Return (the "Net Share Amount"); and

(3) an amount paid in cash, determined as set forth below, for any fractional shares of Common Stock.

The number of Net Shares to be paid shall be determined by dividing the Net Share Amount by the Five Day Average Closing Stock Price. Holders of Notes will not receive a fractional share upon conversion of a Note. Instead, the Holder will receive cash for the value of the fractional share. The cash payment for fractional shares shall be based on the Five Day Average Closing Stock Price.

The Conversion Value, Principal Return, number of Net Shares and Net Share Amount shall be determined by the Company at the end of the fifth consecutive Trading Day including and immediately following the second Trading Day after the day the Notes are tendered for conversion (the "Determination Date").

(c) The Company shall pay the Principal Return and cash for fractional shares and deliver the Net Shares, if any, as promptly as practicable after the Conversion Date, but in no event later than four Business Days thereafter, subject to Section 3.02. Delivery of the Principal Return, Net Shares and cash in lieu of fractional shares shall be deemed to satisfy the Company's obligation to pay the principal amount of the Notes, as well as accrued interest payable on the Notes, except as described below. Accrued interest shall be deemed paid in full rather than canceled, extinguished or forfeited. The Company shall not adjust the Conversion Price to account for the accrued interest. Except as described in the following sentence, upon conversion of any Notes on a date that is not an interest payment date, Holders will not be entitled to receive any

additional cash payment representing accrued and unpaid interest for the period from the immediately preceding interest payment date to the Conversion Date with respect to the converted Notes and such interest will be deemed paid in full. Nonetheless, if Notes are converted after a regular record date and prior to the opening of business on the next interest payment date, including the date of maturity, Holders of such Notes, at the close of business on the next regular record date shall receive the interest payable on such Notes on the corresponding interest payment date notwithstanding the conversion. Such Notes, upon surrender for conversion, must be accompanied by funds equal to the amount of interest payable on that interest payment date on the Notes so converted.

(d) If an Event of Default as set forth in Section 5.1(e) or (f) of the Original Indenture has occurred and is continuing, the Company may not pay cash upon conversion of any Notes (other than cash in lieu of fractional shares) and instead will make payment only through the delivery of shares of Common Stock, provided that Holders shall receive an amount in cash in lieu of any fractional shares. The number of shares of Common Stock to be delivered will be equal to (A) the aggregate principal amount of Notes to be converted divided by 1,000 multiplied by (B) the Conversion Rate.

(e) Neither the Trustee nor the Conversion Agent has any duty to determine or calculate the Conversion Value, Principal Return, number of Net Shares, the Net Share Amount of any other computation required under this Article 10, all of which shall be determined by the Company (or the Bid Solicitation Agent, as the case may be) in accordance with the provisions of this Indenture and the Trustee and Conversion Agent shall not be under any responsibility to determine the correctness of any such determinations and/or calculations and may conclusively rely on the correctness thereof.

ARTICLE XI

SUBORDINATION

Section 11.01 Agreement to Subordinate.

The Company covenants and agrees, and each Holder of Notes by such Holder's acceptance thereof likewise covenants and agrees, that all Notes shall be issued subject to the provisions of this Article 11; and each Holder of a Note, whether upon original issue or upon transfer or assignment thereof, accepts and agrees to be bound by such provisions. The payment by the Company of the principal of, premium, if any, interest and other Obligations with respect to all Notes issued hereunder shall, to the extent and in the manner hereinafter set forth, be subordinated and junior in right of payment to the prior payment in full in cash of principal of (and premium, if any), interest and all other Obligations with respect to all Senior Debt, whether outstanding at the date of this Third Supplemental Indenture or thereafter incurred; provided, however, that no provision of this Article 11 shall prevent the occurrence of any Default or Event of Default hereunder.

Section 11.02 Default On Senior Debt.

In the event and during the continuation of any default by the Company in the payment of principal, premium, if any, interest on or any other Obligation relating to, any Senior Debt when the same becomes due and payable (a "Payment Default"), whether at maturity or at a date fixed for prepayment or by declaration of acceleration or otherwise, and such Payment Default continues beyond the period of grace, if any, specified in the instrument evidencing such Senior Debt, then unless and until such Payment Default shall have been cured or waived or shall have ceased to exist or all Senior Debt and all Obligations relating thereto have been paid in full in cash (and in the event that the maturity of any Senior Debt has been accelerated because of a default, the holders of all Senior Debt outstanding have been paid in full in cash), then no direct or indirect payment or distribution (in cash, property, securities, by set-off or otherwise) shall be made or agreed to be made with respect to the principal of (including redemption payments), premium, if any, or interest on, or any other Obligations relating to, the Notes or in respect of any redemption, repayment, retirement, purchase or other acquisition of any of the Notes.

In the event that, notwithstanding the foregoing, any payment shall be received by the Trustee when such payment is prohibited by the preceding paragraph of this Section 11.02, such payment shall be held in trust for the benefit of, and shall be paid over or delivered to the holders of Senior Debt, or their respective representatives, or to the trustee or trustees under any indenture pursuant to which any of such Senior Debt may have been issued, as their respective interests may appear, but only to the extent that the holders of the Senior Debt (or their representative or representatives or a trustee) notify the Trustee in writing within 180 days of such payment of the amounts then due and owing to the holders of such Senior Debt and only the amounts specified in such notice to the Trustee shall be paid to the holders of such Senior Debt.

Section 11.03 Liquidation; Dissolution; Bankruptcy.

Upon any direct or indirect payment by or on behalf of the Company or direct or indirect distribution of assets of the Company of any kind or character, whether in cash, property or securities, by set-off or otherwise, to creditors upon any dissolution or winding up or liquidation or reorganization of the Company or assignment for the benefit of creditors or marshaling of assets, whether voluntary or involuntary, or in bankruptcy, insolvency, receivership or other proceedings, all amounts (including principal, premium, if any, and interest) due or to become due upon all Senior Debt shall first be paid in full in cash, or such payment thereof provided for in money in accordance with its terms, before any payment or distribution is made on account of the principal (and premium, if any), interest or any other Obligation relating to the Notes; and upon any such dissolution or winding up or liquidation or reorganization, any direct or indirect payment by the Company, or direct or indirect payment or distribution (in cash, property, securities, by set-off or otherwise) to which the Holders of the Notes or the Trustee would be entitled, except for the provisions of this Article 11, shall be paid by the Company or by any receiver, trustee in bankruptcy, liquidating trustee, agent or other Person making such payment or distribution, or by the Holders of the Notes or by the Trustee under this Indenture if received by them or it, directly to the holders of Senior Debt (pro rata to such holders on the basis of the respective amounts of Senior Debt held by such holders, as

calculated by the Company) or their representative or representatives, or to the trustee or trustees under any indenture pursuant to which any instruments evidencing such Senior Debt may have been issued, as their respective interests may appear, to the extent necessary to pay such Senior Debt in full, in cash, after giving effect to any concurrent payment or distribution to or for the holders of such Senior Debt, before any such payment or distribution is made to the Holders of Notes or to the Trustee.

In the event that, notwithstanding the foregoing, any payment or distribution of assets of the Company of any kind or character, whether in cash, property or securities, by set-off or otherwise, prohibited by the foregoing, shall be received by the Trustee or the Holders of the Notes before all Senior Debt is paid in full in cash, or provision is made for such payment in cash in accordance with its terms, such payment or distribution shall be held in trust for the benefit of and shall be paid over or delivered to the holders of Senior Debt or their representative or representatives, or to the trustee or trustees under any indenture pursuant to which any instruments evidencing such Senior Debt may have been issued, and their respective interests may appear, as calculated by the Company, for application to the payment of all Senior Debt remaining unpaid to the extent necessary to pay such Senior Debt in full in cash in accordance with its terms, after giving effect to any concurrent payment or distribution to or for the holders of such Senior Debt.

For purposes of this Article 11, the words, "cash, property or securities" shall not be deemed to include shares of stock of the Company as reorganized or readjusted, or securities of the Company or any other corporation provided for by a plan of reorganization or readjustment, the payment of which is subordinated at least to the extent provided in this Article 11 with respect to the Notes to the payment of all Senior Debt which may at the time be outstanding; provided that (i) such Senior Debt is assumed by the new corporation, if any, resulting from any such reorganization or readjustment, and (ii) the rights of the holders of such Senior Debt are not, without the consent of such holders, altered by such reorganization or readjustment. The consolidation of the Company with, or the merger of the Company with or into, another Person or the liquidation or dissolution of the Company following the conveyance or transfer of its properties and assets substantially as an entirety to another Person upon the terms and conditions provided for in Article IV of the Original Indenture and subject to Section 5.01 shall not be deemed a dissolution, winding up, liquidation or reorganization for the purposes of this Section 11.03 if such other Person shall, as a part of such consolidation, merger, conveyance, or transfer, comply with the conditions stated in Article IV of the Original Indenture. Nothing in Section 11.02 or this Section 11.03 shall apply to claims of, or payments to, the Trustee under or pursuant to Section 6.7 of the Original Indenture.

Section 11.04 Subrogation.

Subject to the payment in full in cash of all Senior Debt, the rights of the Holders of the Notes shall be subrogated to the rights of the holders of such Senior Debt to receive payments or distributions of cash, property or securities of the Company, as the case may be, applicable to such Senior Debt until the principal of (and premium, if any) and interest on the Notes shall be paid in full; and, for the purposes of such subrogation;

no payments or distributions to the holders of such Senior Debt of any cash, property or securities to which the Holders of the Notes or the Trustee would be entitled except for the provisions of this Article 11, and no payment over pursuant to the provisions of this Article 11, to or for the benefit of the holders of such Senior Debt by Holders of the Notes or the Trustee, shall, as between the Company, its creditors other than holders of Senior Debt, and the Holders of the Notes, be deemed to be a payment by the Company to or on account of such Senior Debt. It is understood that the provisions of this Article 11 are and are intended solely for the purposes of defining the relative rights of the Holders of the Notes, on the one hand, and the holders of such Senior Debt on the other hand.

Nothing contained in this Article 11 or elsewhere in this Indenture or in the Notes is intended to or shall impair, as between the Company, its creditors other than the holders of Senior Debt, and the Holders of the Notes, the obligation of the Company, which is absolute and unconditional, to pay to the Holders of the Notes the principal of (and premium, if any) and interest on the Notes as and when the same shall become due and payable in accordance with their terms, or is intended to or shall affect the relative rights of the Holders of the Notes and creditors of the Company, as the case may be, other than the holders of Senior Debt, nor shall anything herein or therein prevent the Trustee or the Holder of any Note from exercising all remedies otherwise permitted by applicable law upon default under this Indenture, subject to the rights, if any, under this Article 11 of the holders of such Senior Debt in respect of cash, property or securities of the Company, as the case may be, received upon the exercise of any such remedy.

Upon any payment or distribution of assets of the Company referred to in this Article 11, the Trustee, subject to the provisions of Section 6.2 of the Original Indenture, and the Holders of the Notes, shall be entitled to rely upon any order or decree made by any court of competent jurisdiction in which such dissolution, winding up, liquidation or reorganization proceedings are pending, or a certificate of the receiver, trustee in bankruptcy, liquidation trustee, agent or other Person making such payment or distribution, delivered to the Trustee or to the Holders of the Notes, for the purposes of ascertaining the Persons entitled to participate in such distribution, the holders of the Senior Debt and other indebtedness of the Company, as the case may be, the amount thereof or payable thereon, the amount or amounts paid or distributed thereon and all other facts pertinent thereto or to this Article 11; provided that such court, trustee, receiver, agent or other Person has been apprised of, or the order, decree or certificate makes reference to, the provisions of this Article.

Section 11.05 Trustee To Effectuate Subordination.

Each Holder of Notes by such Holder's acceptance thereof authorizes and directs the Trustee on such Holder's behalf to take such action as may be necessary or appropriate to effectuate the subordination provided in this Article 11 and appoints the Trustee as such Holder's attorney-in-fact for any and all such purposes.

Section 11.06 Notice By The Company.

The Company shall give prompt written notice to the Trustee of any fact known to the Company which would prohibit the making of any payment of monies to or by the Trustee in respect of the Notes pursuant to the provisions of this Article 11. Notwithstanding the provisions of this Article 11 or any other provision of this Indenture, the Trustee shall not be charged with knowledge of the existence of any facts which would prohibit the making of any payment of monies to or by the Trustee in respect of the Notes pursuant to the provisions of this Article 11, unless and until the Trustee shall have received written notice thereof at the Corporate Trust Office of the Trustee from the Company or a holder or holders of Senior Debt or from any trustee therefor or representative thereof; and before the receipt of any such written notice, the Trustee, subject to the provisions of Section 6.2 of the Original Indenture, shall be entitled in all respects to assume that no such facts exist; provided, however, that if the Trustee shall not have received the notice provided for in this Section 11.06 at least two Business Days prior to the date upon which by the terms hereof any money may become payable for any purpose (including, without limitation, the payment of the principal of (and premium, if any) or interest on any Security), then, anything herein contained to the contrary notwithstanding, the Trustee shall have full power and authority to receive such money and to apply the same to the purposes for which they were received, and shall not be affected by any notice to the contrary which may be received by it within two Business Days prior to such date.

The Trustee shall be entitled to rely on the delivery to it of a written notice by a Person representing himself to be a holder of Senior Debt (or a trustee or representative on behalf of such holder) to establish that such notice has been given by a holder of such Senior Debt or a trustee or representative on behalf of any such holder or holders. In the event that the Trustee determines in good faith that further evidence is required with respect to the right of any Person as a holder of Senior Debt to participate in any payment or distribution pursuant to this Article 11, the Trustee may request such Person to furnish evidence to the reasonable satisfaction of the Trustee as to the amount of Senior Debt held by such Person, the extent to which such Person is entitled to participate in such payment or distribution and any other facts pertinent to the right of such Person under this Article 11, and, if such evidence is not furnished, the Trustee may defer any payment to such Person pending judicial determination as to the right of such Person to receive such payment or distribution.

Section 11.07 Rights Of The Trustee; Holders Of Senior Debt.

The Trustee in its individual capacity shall be entitled to all the rights set forth in this Article 11 in respect of any Senior Debt at any time held by it, to the same extent as any other holder of Senior Debt, and nothing in this Indenture shall deprive the Trustee of any of its rights as such holder. With respect to the holders of Senior Debt of the Company, the Trustee undertakes to perform or to observe only such of its covenants and obligations as are set forth in this Article 11, and no implied covenants or obligations with respect to the holders of such Senior Debt shall be read into this Indenture against the Trustee. The Trustee shall not be deemed to owe any fiduciary duty to the holders of such Senior Debt and, subject to the provisions of Section 6.2 of the Original Indenture, the Trustee shall not be liable to any holder of such Senior Debt if it shall pay over or

deliver to Holders of Notes, the Company or any other Person money or assets to which any holder of such Senior Debt shall be entitled by virtue of this Article 11 or otherwise.

Section 11.08 Subordination May Not Be Impaired.

(a) No right of any present or future holder of any Senior Debt to enforce subordination as herein provided shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of the Company or by any act or failure to act, in good faith, by any such holder, or by any noncompliance by the Company with the terms, provisions and covenants of this Indenture, regardless of any knowledge thereof which any such holder may have or otherwise be charged with.

(b) Without in any way limiting the generality of the foregoing paragraph, the holders of Senior Debt may, at any time and from time to time, without the consent of or notice to the Trustee or the Holders of the Notes, without incurring responsibility to the Holders of the Notes and without impairing or releasing the subordination provided in this Article 11 or the obligations hereunder of the Holders of the Notes to the holders of Senior Debt, do any one or more of the following: (i) change the manner, place or terms of payment or extend the time of payment of, or renew or alter, such Senior Debt, or otherwise amend or supplement in any manner such Senior Debt or any instrument evidencing the same or any agreement under which such Senior Debt is outstanding; (ii) sell, exchange, release or otherwise deal with any property pledged, mortgaged or otherwise securing such Senior Debt; (iii) release any Person liable in any manner for the collection of such Senior Debt; and (iv) exercise or refrain from exercising any rights against the Company and any other Person.

(c) The subordination provisions of this Article 11 shall continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Senior Debt is, pursuant to applicable law, avoided, recovered, or rescinded or must otherwise be restored or returned by any holder of Senior Debt, whether as a "voidable preference," "fraudulent conveyance," "fraudulent transfer," or otherwise, all as though such payment or performance had not been made.

(d) If, upon any proceeding referred to in Section 11.03, the Trustee does not file a claim in such proceeding prior to fifteen Business Days before the expiration of the time to file such claim, the holders of Senior Debt or their agent may file such claim on behalf of the Holders of the Notes.

(e) The subordination provisions contained herein are solely for the benefit of the holders from time to time of Senior Debt and their representatives, assignees and beneficiaries and may not be rescinded, canceled, amended or modified in any way other than, as to any holder of Senior Debt, pursuant to an amendment or modification that is permitted by the documentation relating to the Senior Debt applicable to such holder.

\$[] principal amount of 7.75% Contingent Convertible Notes due 2015

Capitalized terms used herein have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

(1) **INTEREST.** Calpine Corporation, a Delaware corporation (such corporation and its successors and assigns under the Indenture referred to below, being herein called the "Company"), promises to pay interest on the principal amount of this Note at 7.75% per annum from June 23, 2005 until maturity. The Company shall pay interest semi-annually in arrears on June 1 and December 1 of each year, commencing December 1, 2005, or if any such day is not a Business Day, on the next succeeding Business Day (each, an "Interest Payment Date"), except as set forth in this paragraph. Interest on the Notes shall accrue (except as set forth in this paragraph) from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; provided that if there is no existing Default in the payment of interest, and if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date. The Company shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at a rate that is 1% per annum in excess of the rate then in effect; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. Interest shall be computed on the basis of a 360-day year of twelve 30-day months.

(2) **METHOD OF PAYMENT.** The Company shall pay interest on the Notes (except defaulted interest) to the Persons who are registered Holders of Notes at the close of business on the May 15 or November 15 next preceding the Interest Payment Date, even if such Notes are cancelled after such record date and on or before such Interest Payment Date, except as provided in Section 2.13 of the Original Indenture with respect to defaulted interest. Holders must surrender Notes to a Paying Agent to collect principal payments. The Notes shall be payable as to principal, premium, if any, and interest at the office or agency of the Company maintained for such purpose within or without the City and State of New York, or, at the option of the Company, payment of interest may be made by check mailed to the Holders at their addresses set forth in the register of Holders; provided that payment by wire transfer of immediately available funds shall be required with respect to principal of and interest, premium on, all Global Notes and all other Notes the Holders of which shall have provided wire transfer instructions to the Company or the Paying Agent. Such payment shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

(3) PAYING AGENT, CONVERSION AGENT AND REGISTRAR.

Initially, Wilmington Trust Company, the Trustee under the Indenture, shall act as Paying Agent, Conversion Agent and Registrar. The Company may change any Paying Agent, Conversion Agent or Registrar without prior notice to any Holder. The Company or any of its Subsidiaries may act in any such capacity.

(4) INDENTURE. The Company issued the Notes under an Indenture dated as of August 10, 2000, as supplemented by the First Supplemental Indenture dated as of September 28, 2000, the Second Supplemental Indenture dated as of September 30, 2004 and the Third Supplemental Indenture dated as of June 23, 2005 (as so supplemented, the "Indenture") between the Company and the Trustee. The Notes are unsecured general obligations of the Company. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (15 U.S. Code Sections 77aaa-77bbbb). The Notes are subject to all such terms, and Holders are referred to the Indenture and such Act for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

(5) MANDATORY REDEMPTION. The Company shall not be required to make mandatory redemption or sinking fund payments with respect to the Notes.

(6) REPURCHASE AT OPTION OF HOLDER. If a Change of Control occurs, each Holder of Notes shall have the right to require the Company to repurchase all or any part (equal to \$1,000 principal amount or an integral multiple of \$1,000) of that Holder's Notes pursuant to the terms set forth in the Third Supplemental Indenture. The Company shall deliver to each holder, that has delivered to the Paying Agent an irrevocable written notice of purchase and the Notes to be repurchased, a payment in cash equal the Change of Control Purchase Price as set forth in the Third Supplemental Indenture. Within 30 days following any Change of Control, the Company shall mail a notice to each Holder as required by the Third Supplemental Indenture.

(7) CONVERSION. Upon satisfaction of the conditions set forth in Section 10.01(a) of the Third Supplemental Indenture, a Holder of a Note may convert any portion of the principal amount of any Note that is an integral multiple of \$1,000 into cash and fully paid and non-assessable shares (calculated as to each conversion to the nearest 1/1,000th of a share) of Common Stock in accordance with the provisions of Section 10.15 of the Third Supplemental Indenture. Such conversion right shall commence on the initial issuance date of the Notes and expire at the close of business on the Business Day immediately preceding the date of Maturity, subject, in the case of conversion of any Global Note, to any Applicable Procedures. The Conversion Price shall, as of the date of the Third Supplemental Indenture, initially be \$4.00. The Conversion Rate shall, as of the date of the Third Supplemental Indenture, initially be 250.0000 per

\$1,000 principal amount of Notes. The Conversion Rate will be adjusted under the circumstances specified in the Third Supplemental Indenture.

(8) SUBORDINATION. The Notes shall be subordinated to Senior Debt to the extent and in the manner provided for in the Third Supplemental Indenture.

(9) DENOMINATIONS, TRANSFER, EXCHANGE. The Notes are in registered form without coupons in denominations of \$1,000 principal amount and integral multiples of \$1,000. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company need not exchange or register the transfer of any Notes during the period between a record date and the corresponding Interest Payment Date.

(10) DEFEASANCE. The Company may not terminate some or all of its obligations under the Notes and the Indenture as it pertains to the Notes.

(11) PERSONS DEEMED OWNERS. The registered Holder of a Note may be treated as its owner for all purposes, except that interest (other than defaulted interest) will be paid to the person that was the registered Holder on the relevant record date for such payment of interest.

(12) AMENDMENT, SUPPLEMENT AND WAIVER. Subject to certain exceptions, the Indenture or the Notes may be amended or supplemented with the consent of the Holders of at least a majority in principal amount of the then outstanding Notes voting as a single class, and any existing default or compliance with any provision of the Notes or the Indenture (with respect to the Notes) may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Notes voting as a single class. Without the consent of any Holder of a Note, the Indenture or the Notes may be amended or supplemented as set forth in the Indenture.

(13) DEFAULTS AND REMEDIES. Events of Default shall be as set forth in the Indenture. If any Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the then outstanding Notes may declare all the Notes to be due and payable. Notwithstanding the foregoing, in the case of an Event of Default arising from certain events of bankruptcy or insolvency, all outstanding Notes shall become due and payable without further action or notice. Holders may not enforce the Indenture or the Notes except as provided in the Indenture.

(14) TRUSTEE DEALINGS WITH COMPANY. Subject to the provisions of the Trust Indenture Act, the Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the

Company or its Affiliates, and may otherwise deal with the Company or its Affiliates, as if it were not the Trustee.

(15) NO RECOURSE AGAINST OTHERS. A director, officer, employee or stockholder, of the Company as such, shall not have any liability for any obligations of the Company under the Notes, the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Notes.

(16) AUTHENTICATION. This Note shall not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

(17) ABBREVIATIONS. Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

(18) CUSIP NUMBERS. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused CUSIP numbers to be printed on the Notes and the Trustee may use CUSIP numbers in notices of repurchase as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

The Company shall furnish to any Holder upon written request and without charge a copy of the Indenture. Requests may be made to:

CALPINE CORPORATION

Directors' Certificate to Trustee
pursuant to Section 2.1 of the Indenture, establishing the terms of the
4% Convertible Senior Notes Due December 26, 2006

We, Peter Cartwright and Ann B. Curtis, as members of the Board of Directors of Calpine Corporation, a Delaware corporation (the "Company"), are delivering this Certificate pursuant to Section 2.1 of the Indenture, dated as of August 10, 2000, as supplemented by the First Supplemental Indenture, dated as of September 28, 2000 (the "Indenture"), between the Company and Wilmington Trust Company, as Trustee (the "Trustee"), with respect to the Company's 4% Convertible Senior Notes Due December 26, 2006. Unless otherwise defined herein, all capitalized terms used herein shall have the meanings given thereto in the Indenture. We hereby certify as follows:

ARTICLE 1 - TITLE OF SECURITIES

Section 1.1. Title of Senior Notes. The Senior Notes shall be entitled "4% Convertible Senior Notes Due December 26, 2006" (the "Senior Notes") and shall bear CUSIP No. 131347 AZ9. A form of Senior Note is attached hereto as Exhibit A, the terms of which are incorporated by reference and approved hereby.

ARTICLE 2 - AUTHORIZED PRINCIPAL AMOUNT

Section 2.1. Authorized Principal Amount. The aggregate principal amount of the Senior Notes that may be authenticated and delivered under the Indenture shall be limited to \$1,200,000,000 (except for Senior Notes authenticated and delivered upon registration of transfer of, or in exchange for, or for replacement of, or in lieu of, other Senior Notes pursuant to Sections 2.7, 2.8, 2.11, 8.5 or 9.6 of the Indenture and subject to the provisions of Section 2.1 of the Indenture).

ARTICLE 3 - MATURITY

Section 3.1. Stated Maturity. The unpaid principal amount of the Senior Notes shall mature on December 26, 2006, subject to the provisions of Section 5.2 of the Indenture regarding acceleration unless repurchased as set forth in Section 7.1 below.

ARTICLE 4 - INTEREST

Section 4.1. Interest. The Senior Notes shall bear interest from December 26, 2001 (the "Issue Date") at the rate of 4% per annum, payable on each December 26 and June 26 (each, an "Interest Payment Date"), commencing June 26, 2002, for payment to the Holders of record at the close of business on the immediately preceding December 11 and June 11 (each, a "Regular Record Date"), respectively, whether or not a Business Day.

ARTICLE 5 – CONVERSION INTO COMMON STOCK

Section 5.1. Conversion into Common Stock. A Holder may convert the Senior Notes into shares of common stock of the Company, par value \$.001 per share (the “Common Stock”), at any time prior to 5:00 p.m., New York City time, on that date that is two Business Days prior to maturity, unless previously repurchased, if the principal amount of such Senior Notes are \$1,000 or an integral multiple portion of \$1,000. Each Senior Note may initially be converted into shares of Common Stock at the initial conversion price of \$18.07 per share of Common Stock (the “Conversion Price”), which represents an initial conversion rate of approximately 55.3403 shares of Common Stock per each \$1,000 principal amount of Senior Notes (the “Conversion Rate”). To convert a Senior Note, a Holder must satisfy the requirements set forth below. From and after conversion of a Senior Note into shares of Common Stock on a Conversion Date (defined below) with respect to any Senior Note, such Senior Note shall cease to be outstanding and the Trustee shall be authorized to cancel each such Senior Note following conversion thereof.

Section 5.2. Conversion Procedure. To convert a Senior Note a Holder must satisfy the requirements in Paragraph 6 of the Senior Notes. The first Business Day on which the Holder satisfies all those requirements is the conversion date (the “Conversion Date”).

As soon as practicable after the Conversion Date, the Company shall deliver to the Holder, through the Conversion Agent, a certificate for the number of full shares of Common Stock issuable upon the conversion or exchange and cash in lieu of any fractional share determined pursuant to Section 5.3. The person in whose name the certificate is registered shall be treated as a shareholder of record as of the close of business on the Conversion Date. Upon conversion of a Senior Note, such person shall no longer be a Holder of such Senior Note.

No payment or adjustment will be made for dividends on, or other distributions with respect to, any Common Stock upon conversion hereunder except as provided in this Article 5. On conversion of a Senior Note, that portion of accrued interest, if any, attributable to the period from the Issue Date or most recent Interest Payment Date, as applicable, of the Senior Note through the Conversion Date with respect to the converted Senior Note shall not be cancelled, extinguished or forfeited, but rather shall be deemed to be paid in full to the Holder thereof through delivery of the shares of Common Stock (together with the cash payment, if any, in lieu of fractional shares) for the Senior Note being converted pursuant to the provisions hereof; and the fair market value of such shares of Common Stock (together with any such cash payment in lieu of fractional shares) shall be treated as issued, to the extent thereof, first in exchange for interest, if any, accrued through the Conversion Date, and the balance, if any, of such fair market value of such shares of Common Stock (and any such cash payment) shall be treated as issued for the Issue Price of the Senior Note being converted pursuant to the provisions hereof. If the Holder converts more than one Senior Note at the same time, the number of shares of Common Stock issuable upon the conversion shall be based on the total principal amount of the Senior Notes converted.

Upon conversion of any Senior Note on a date that is not an Interest Payment Date, Holders will not be entitled to receive any cash payment representing accrued and unpaid interest for the period from the immediately preceding Interest Payment Date or the Issue Date,

as the case may be, to the Conversion Date with respect to a converted Senior Note. However, if Senior Notes are converted after a Regular Record Date and prior to the opening of business on the next Interest Payment Date, including the date of maturity, Holders of such Senior Notes at the close of business on the Regular Record Date will receive the interest payable on such Senior Notes on the corresponding Interest Payment Date notwithstanding the conversion.

If the last day on which a Senior Note may be converted is a Legal Holiday, the Senior Note may be surrendered on the next succeeding day that is not a Legal Holiday.

Upon surrender of a Senior Note that is converted in part, the Company shall execute, and the Trustee shall authenticate and deliver to the Holder, a new Senior Note in an authorized denomination equal in principal amount to the unconverted portion of the Senior Note surrendered.

Section 5.3. Fractional Shares. Holders of Senior Notes will not receive a fractional share upon conversion of a Senior Note. Instead, the Holder will receive cash for the current market value of the fractional share. The current market value of a fractional share shall be determined, to the nearest 1/1,000th of a share, by multiplying the Sale Price, on the last trading day immediately prior to the Conversion Date, of a full share by the fractional amount and rounding the product to the nearest whole cent, with one-half cent being rounded upward.

Section 5.4. Taxes on Conversion. If a Holder submits a Senior Note for conversion, the Company shall pay any documentary, stamp or similar issue or transfer tax due on the issue of shares of Common Stock upon the conversion. However, the Holder shall pay any such tax which is due because the Holder requests the shares to be issued in a name other than the Holder's name. The Conversion Agent may refuse to deliver the certificates representing the shares of Common Stock being issued in a name other than the Holder's name until the Conversion Agent receives a sum sufficient to pay any tax which will be due because the shares are to be issued in a name other than the Holder's name. Nothing herein shall preclude any income tax withholding required by law or regulations.

Section 5.5. Company to Provide Stock. The Company has reserved, and from time to time as may be necessary shall, reserve out of its authorized but unissued shares of Common Stock a sufficient number of shares of Common Stock to permit the conversion of the Senior Notes in full.

All shares of Common Stock delivered upon conversion of the Senior Notes shall be newly issued shares or treasury shares, shall be duly and validly issued and fully paid and nonassessable, and shall be free from preemptive rights and free of any lien or adverse claim. The Company will endeavor promptly to comply with all federal and state securities laws regulating the offer and delivery of shares of Common Stock upon conversion of Senior Notes, if any, and will list or cause to have quoted such shares of Common Stock on each national securities exchange or in the over-the-counter market or such other market on which the shares of Common Stock are then listed or quoted.

Section 5.6. Conversion Price Adjustments. The Conversion Price shall be subject to adjustment (without duplication) from time to time as follows:

(a) In case the Company shall pay a dividend or make a distribution on the Common Stock payable exclusively in Common Stock, the Conversion Rate in effect at the opening of business on the day following the date fixed for the determination of stockholders entitled to receive such dividend or other distribution shall be increased by multiplying such Conversion Rate by a fraction of which the denominator shall be the number of shares of Common Stock outstanding at the close of business on the date fixed for such determination and the numerator shall be the sum of (i) such number of shares and (ii) the total number of shares constituting such dividend or other distribution, such increase to become effective immediately after the opening of business on the day following the date fixed for such determination. For the purposes of this paragraph (a), the number of shares of Common Stock at any time outstanding shall not include shares held in the treasury of the Company. In the event that such dividend or distribution is not so paid or made, the Conversion Price shall again be adjusted to be the Conversion Price which would then be in effect if such dividend or distribution had not occurred.

(b) In case the Company shall pay or make a dividend or other distribution on its Common Stock consisting exclusively of, or shall otherwise issue to all holders of its Common Stock, rights or warrants, in each case entitling the holders thereof to subscribe for or purchase shares of Common Stock at a price per share less than the current market value per share (determined as provided in paragraph (g) below) of the Common Stock on the date fixed for the determination of stockholders entitled to receive such rights or warrants, the Conversion Rate in effect at the opening of business on the day following the date fixed for such determination shall be increased by multiplying such Conversion Rate by a fraction of which the denominator shall be the sum of (i) the number of shares of Common Stock outstanding at the close of business on the date fixed for such determination plus (ii) the number of shares of Common Stock which the aggregate of the offering price of the total number of shares of Common Stock so offered for subscription or purchase would purchase at such current market value and the numerator shall be the sum of (i) the number of shares of Common Stock outstanding at the close of business on the date fixed for such determination plus (ii) the number of shares of Common Stock so offered for subscription or purchase, such increase to become effective immediately after the opening of business on the day following the date fixed for such determination, provided, however, that no adjustment shall be made if Holders of the Senior Notes may participate in the transaction on a basis and with notice that the Company's Board of Directors deems to be fair and appropriate. To the extent that rights are not so issued or shares of Common Stock are not so delivered after the expiration of such rights or warrants, the Conversion Rate shall be readjusted to the Conversion Rate which would then be in effect if such date fixed for the determination of stockholders entitled to receive such rights or warrants had not been fixed. For the purposes of this paragraph (b), the number of shares of Common Stock at any time outstanding shall not include shares held in the treasury of the Company.

(c) In case outstanding shares of Common Stock shall be subdivided into a greater number of shares of Common Stock, the Conversion Rate in effect at the opening of business on the Business Day following the day upon which such subdivision becomes effective shall be proportionately increased and, conversely, in case outstanding shares of Common Stock shall each be combined into a smaller number of shares of Common Stock, the Conversion Rate in effect at the opening of business on the day following the day upon which such combination becomes effective shall be proportionately reduced, such increase or reduction, as the case may

be, to become effective immediately after the opening of business on the Business Day following the day upon which such subdivision or combination becomes effective.

(d) Subject to the last sentence of this paragraph (d), in case the Company shall, by dividend or otherwise, distribute to all holders of its Common Stock evidences of its indebtedness, shares of any class or series of Capital Stock, cash or assets (including securities, but excluding any rights or warrants referred to in paragraph (b) of this Section 5.6, any dividend or distribution paid exclusively in cash and any dividend or distribution referred to in paragraph (a) of this Section 5.6), the Conversion Rate shall be increased so that the same shall equal the price determined by multiplying the Conversion Rate in effect immediately prior to the effectiveness of the Conversion Rate increase contemplated by this paragraph (d) by a fraction of which the denominator shall be the current market value per share (determined as provided in paragraph (g) of this Section 5.6) of the Common Stock on the date fixed for the determination of stockholders entitled to receive such distribution (the "Reference Date") less the fair market value (as determined in good faith by the Board of Directors, whose determination shall be conclusive and described in a resolution of the Board of Directors), on the Reference Date, of the portion of the evidences of indebtedness, shares of capital stock, cash and/or assets so distributed applicable to one share of Common Stock and the numerator shall be such current market value per share of the Common Stock, such increase to become effective immediately prior to the opening of business on the day following the Reference Date, provided, however, that if the fair market value of the portion of the evidences of indebtedness, shares of capital stock, cash and/or assets so distributed applicable to one share of Common Stock shall be less than the current market value per share of Common Stock, no adjustment shall be made, and provided, further, that no adjustment shall be made if all Holders of Senior Notes are entitled to participate in such transactions. In the event that such dividend or distribution is not so paid or made, the Conversion Rate shall again be adjusted to be the Conversion Rate which would then be in effect if such dividend or distribution had not occurred. For purposes of this paragraph (d), any dividend or distribution that includes shares of Common Stock or rights or warrants to subscribe for or purchase shares of Common Stock shall be deemed instead to be (1) a dividend or distribution of the evidences of indebtedness, shares of Capital Stock, cash and/or assets other than such shares of Common Stock or such rights or warrants (making any Conversion Rate increase required by this paragraph (d)) immediately followed by (2) a dividend or distribution of such shares of Common Stock or such rights or warrants (making any further Conversion Rate increase required by paragraph (a) or (b) of this Section 5.6), except any shares of Common Stock included in such dividend or distribution shall not be deemed "outstanding at the close of business on the date fixed for such determination" within the meaning of paragraph (a) of this Section 5.6.

(e) In case the Company pays to holders of Common Stock in respect of a tender or exchange offer, other than an odd-lot offer, by the Company or any of its Subsidiaries for Common Stock to the extent that the offer involves aggregate consideration that, together with (1) any cash and the fair market value of any other consideration payable in respect of any tender offer by the Company or any of its Subsidiaries for shares of Common Stock consummated within the preceding 12 months not triggering a Conversion Rate adjustment and (2) all-cash distributions to all or substantially all holders of the Company's Common Stock made within the preceding 12 months not triggering a Conversion Rate adjustment, exceeds an amount equal to 12.5% of the market capitalization of Common Stock on the expiration date of the tender offer,

the Conversion Rate shall be increased so that the same shall equal the price determined by multiplying the Conversion Rate in effect immediately prior to the effectiveness of the Conversion Rate increase contemplated by this paragraph (e) by a fraction of which the denominator shall be the number of shares of Common Stock outstanding (including any tendered or exchanged shares) at the last time tenders of exchanges may be made pursuant to such tender or exchange offer (the "Expiration Time") multiplied by the current market value per share (determined as provided in paragraph (g) of this Section 5.6) of the Common Stock on the trading day on the NYSE next succeeding the Expiration Time and the numerator shall be the sum of (x) the fair market value (determined as aforesaid) of the aggregate consideration payable to stockholders based on the acceptance (up to any maximum specified in the terms of the tender or exchange offer) of all shares validly tendered or exchanged and not withdrawn as of the Expiration Time (the shares deemed so accepted, up to any such maximum, being referred to as the "Purchased Shares") and (y) the product of the number of shares of Common Stock outstanding (less any Purchased Shares) at the Expiration Time and the current market value per share (determined as provided in paragraph (g) of this Section 5.6) of the Common Stock on the trading day on the NYSE next succeeding the Expiration Time, such increase to become effective immediately prior to the opening of business on the Business Day following the Expiration Time.

(f) In case the Company distributes to all or substantially all holders of Common Stock all-cash distributions in an aggregate amount that, together with (1) any cash and the fair market value of any other consideration payable in respect of any tender offer by the Company or any of its Subsidiaries for shares of the Company's Common Stock consummated within the preceding 12 months not triggering a Conversion Rate adjustment and (2) all other all-cash distributions to all or substantially all holders of Common Stock made within the preceding 12 months not triggering a Conversion Rate adjustment, exceeds an amount equal to 12.5% of the market capitalization of the Common Stock on the Business Day immediately preceding the day on which the Company declares the distribution, the Conversion Rate shall be increased so that the same shall equal the price determined by multiplying the Conversion Rate in effect immediately prior to the effectiveness of the Conversion Rate increase contemplated by this paragraph (f) by a fraction of which the denominator shall be the current market value per share (determined as provided in paragraph (g) of this Section 5.6) of the Common Stock on the date fixed for the payment of such distribution less the amount of cash so distributed and not excluded as provided below applicable to one share of Common Stock and the numerator shall be such current market value per share of the Common Stock, such increase to become effective immediately prior to the opening of business on the day following the date fixed for the payment of such distribution; provided, however, that in the event the portion of the cash so distributed applicable to one share of Common Stock is equal to or greater than the current market value per share (as defined in paragraph (g) of this Section 5.6) of the Common Stock on the record date mentioned above, in lieu of the foregoing adjustment, adequate provision shall be made so that each Holder of Senior Notes shall have the right to receive upon conversion the amount of cash such Holder would have received had such Holder converted each Senior Note immediately prior to the record date for the distribution of the cash. In the event that such dividend or distribution is not so paid or made, the Conversion Price shall again be adjusted to be the Conversion Price which would then be in effect if such record date had not been fixed.

(g) For the purpose of any computation under paragraphs (b), (d), (e) and (f) of this Section 5.6, the current market value per share of Common Stock on any date in question shall be deemed to be the average of the daily closing prices on the NYSE for the ten consecutive trading days prior to the earlier of the day in question and, if applicable, the day before the "ex" date (as hereinafter defined) with respect to the issuance or distribution requiring such computation; provided, however, that if the day in question or the "ex" date for any event (other than the issuance or distribution requiring such computation) that requires an adjustment to the Conversion Rate pursuant to Section 5.6 (b), (d), (e) or (f) occurs during such 10 consecutive NYSE trading days, the closing price on the NYSE for each trading day prior to such date for such other event shall be adjusted by dividing such closing price by the same fraction by which the Conversion Rate is so required to be adjusted as a result of such other event. For purposes of this paragraph (g), the term "ex" date (I) when used with respect to any issuance or distribution, means the first date on which the Common Stock trades regular way on the relevant exchange or in the relevant market from which the closing price was obtained without the right to receive such issuance or distribution, (II) when used with respect to any subdivision or combination of shares of Common Stock, means the first date on which the Common Stock trades regular way on such exchange or in such market after the time at which such subdivision or combination becomes effective and (III) when used with respect to any tender or exchange offer means the first date on which the Common Stock trades regular way on such exchange or in such market after the Expiration Time of such offer. Notwithstanding the foregoing, whenever successive adjustments to the Conversion Rate are called for pursuant to this Section 5.6, such adjustments shall be made to the current market price as may be necessary or appropriate to effectuate the intent of this Section 5.6 and to avoid unjust or inequitable results, as determined in good faith by the Board of Directors. In the event that the Common Stock shall cease to be listed on the NYSE, this Section 5.6(g) shall be deemed amended so as to replace any reference to the "NYSE" with the applicable securities exchange, over-the-counter market or other market which represents the primary market for the trading of the Common Stock.

(h) No adjustment of the Conversion Price shall be made (i) upon the issuance of any shares of Common Stock pursuant to any present or future plan providing for the reinvestment of dividends or interest payable on securities of the Company and the investment of additional optional amounts in shares of Common Stock under any plan, (ii) upon the issuance of any shares of Common Stock or options or rights to purchase those shares pursuant to any present or future employee, director or consultant benefit plan or program of the Company, (iii) upon the issuance of any shares of Common Stock pursuant to any option, warrant, right or exercisable, exchangeable or convertible security outstanding as of the date hereof or (iv) upon the issuance of any rights, any distribution of separate certificates representing the rights, any exercise or redemption of any rights or any termination or invalidation of the rights, pursuant to the Company's stockholders rights plan. There shall also be no adjustment of the Conversion Rate in case of the issuance of any Common Stock (or securities convertible into or exchangeable for Common Stock), except as specifically described above.

Section 5.7. When Adjustment May Be Deferred. No adjustment in the Conversion Price need be made unless the adjustment would require an increase or decrease of at least 1% in the Conversion Price. Any adjustments that are not made shall be carried forward and taken into account in any subsequent adjustment.

All calculations under this Article 5 shall be made to the nearest cent, with one-half cent rounded up, or to the nearest 1/1,000th of a share, with 1/500th of a share being rounded up, as the case may be.

Section 5.8. When No Adjustment Required. No adjustment need be made for a transaction referred to in Section 5.6(b) or (d) if Holders of Senior Notes are to participate in the transaction without conversion on a basis and with notice that the Board of Directors determines to be fair and appropriate in light of the basis and notice on which holders of shares of Common Stock participate in the transaction.

No adjustment need be made for a change in the par value or no par value of the shares of Common Stock.

To the extent the Senior Notes become convertible pursuant to this Article 5 in whole or in part into cash, no adjustment need be made thereafter as to the cash. Interest will not accrue on the cash.

Section 5.9. Notice of Adjustment. Whenever the Conversion Price is adjusted, the Company shall promptly mail to Holders of Senior Notes a notice of the adjustment. The Company shall file with the Trustee and the Conversion Agent such notice and a certificate from the Company's independent public accountants briefly stating the facts requiring the adjustment and the manner of computing it. The certificate shall be conclusive evidence that the adjustment is correct. Neither the Trustee nor any Conversion Agent shall be under any duty or responsibility with respect to any such certificate except to exhibit the same to any Holder desiring inspection thereof.

Section 5.10. Voluntary Decrease. The Company from time to time may decrease the Conversion Price by any amount at any time for at least 20 days, so long as the decrease is irrevocable during such 20-day period. Whenever the Conversion Price is decreased, the Company shall mail to Holders of Senior Notes and file with the Trustee and the Conversion Agent a notice of the decrease. The Company shall mail the notice at least 15 days before the date the decreased Conversion Price takes effect. The notice shall state the decreased Conversion Price and the period it will be in effect. A voluntary decrease of the Conversion Price does not change or adjust the Conversion Price otherwise in effect for purposes of Section 5.10.

Section 5.11. Notice of Certain Transactions. If:

- a) the Company takes any action that would require an adjustment in the Conversion Rate pursuant to Section 5.6 (unless no adjustment is to occur pursuant to Section 5.8); or
- b) the Company takes any action that would require a supplemental indenture pursuant to Section 5.12; or
- c) there is a liquidation or dissolution of the Company;

then the Company shall mail to Holders of Senior Notes and file with the Trustee and the Conversion Agent a notice stating the proposed record date for a dividend or distribution or the

proposed effective date of a subdivision, combination, reclassification, consolidation, merger, binding share exchange, transfer, liquidation or dissolution. The Company shall file and mail the notice at least 15 days before such date. Failure to file or mail the notice or any defect in it shall not affect the validity of the transaction.

Section 5.12. Reorganization of Company; Special Distributions. If the Company is a party to a transaction subject to Article IV of the Indenture (other than a sale of all or substantially all of the assets of the Company in a transaction in which the holders of shares of Common Stock immediately prior to such transaction do not receive securities, cash or other assets of the Company or any other person) or a merger or binding share exchange which reclassifies or changes its outstanding shares of Common Stock, the person obligated to deliver securities, cash or other assets upon conversion of Senior Notes shall enter into a supplemental indenture. If the issuer of securities deliverable upon conversion of Senior Notes is an Affiliate of the successor Company, that issuer shall join in the supplemental indenture.

The supplemental indenture shall provide that the Holder of a Senior Note may convert it into the kind and amount of securities, cash or other assets which such Holder would have received immediately after the consolidation, merger, binding share exchange or transfer if such Holder had converted the Senior Note immediately before the effective date of the transaction, assuming (to the extent applicable) that such Holder (i) was not a constituent person or an Affiliate of a constituent person to such transaction; (ii) made no election with respect thereto; and (iii) was treated alike with the plurality of non-electing Holders. The supplemental indenture shall provide for adjustments which shall be as nearly equivalent as may be practical to the adjustments provided for in this Article 5. The successor Company shall mail to Holders of Senior Notes a notice briefly describing the supplemental indenture.

If this Section applies, Section 5.6 does not apply.

Section 5.13. Company Determination Final. Any determination that the Company or the Board of Directors must make pursuant to Section 5.3, 5.6, 5.7, 5.8, 5.12 or 5.15 is conclusive, absent manifest error.

Section 5.14. Trustee's Adjustment Disclaimer. The Trustee has no duty to determine when an adjustment under this Article 5 should be made, how it should be made or what it should be. The Trustee has no duty to determine whether a supplemental indenture under Section 5.12 need be entered into or whether any provisions of any supplemental indenture are correct. The Trustee shall not be accountable for and makes no representation as to the validity or value of any securities or assets issued upon conversion of Senior Notes. The Trustee shall not be responsible for the Company's failure to comply with this Article 5. Each Conversion Agent shall have the same protection under this Section 5.14 as the Trustee.

Section 5.15. Successive Adjustments. After an adjustment to the Conversion Price under this Article 5, any subsequent event requiring an adjustment under this Article 5 shall cause an adjustment to the Conversion Rate as so adjusted.

ARTICLE 6 – EVENTS OF DEFAULT

Section 6.1. Events of Default. Section 5.1 of the Indenture is hereby amended to add each of the following as an Event of Default solely with respect to the Senior Notes (as defined in this Certificate):

(a) default in the payment of the Purchase Price (as defined in this Certificate) when the same becomes due and payable; and

(b) default in the payment of the Change in Control Purchase Price (as defined in this Certificate) when the same becomes due and payable.

ARTICLE 7 – COMPANY'S REPURCHASE OF NOTES

Section 7.1. Purchase of Senior Notes at Option of the Holder. (a) General. All or any portion of the Senior Notes held by any Holder shall be purchased by the Company pursuant to Paragraph 5 of the Senior Notes at the option of the Holder on December 26, 2004 (the "Purchase Date"), at the Issue Price plus accrued and unpaid interest, if any, to the Purchase Date (the "Purchase Price"). Purchases of Senior Notes hereunder shall be made, at the option of the Holder thereof, upon:

(1) delivery to the Paying Agent by the Holder of a written notice of purchase (a "Purchase Notice") at any time from the opening of business on the date that is 20 Business Days prior to a Purchase Date until the close of business on the last Business Day prior to such Purchase Date stating:

(A) the certificate number of the Senior Note which the Holder will deliver to be purchased,

(B) the portion of the principal amount of the Senior Note which the Holder will deliver to be purchased, which portion must be in principal amounts of \$1,000 or an integral multiple thereof,

(C) that such Senior Note shall be purchased as of the Purchase Date pursuant to the terms and conditions specified in Paragraph 5 of the Senior Notes, this Certificate and the Indenture, and

(D) in the event the Company elects, pursuant to Section 7.1(b), to pay the Purchase Price, in whole or in part, in shares of Common Stock but such portion of the Purchase Price shall ultimately be payable to such Holder entirely in cash because any of the conditions to payment of the Purchase Price in shares of Common Stock is not satisfied prior to the close of business on the Purchase Date, as set forth below, whether such Holder elects (x) to withdraw such Purchase Notice as to some or all of the Senior Notes to which such Purchase Notice relates (stating the principal amount and certificate numbers, if any, of the Senior Notes as to which such withdrawal shall relate), or (y) to receive cash in respect of the entire Purchase Price for all Senior Notes (or portions thereof) to which such Purchase Notice relates; and

(2) delivery of such Senior Note to the Paying Agent prior to, on or after the Purchase Date (together with all necessary endorsements) at the offices of the Paying Agent, such delivery being a condition to receipt by the Holder of the Purchase Price therefor; provided,

however, that such Purchase Price shall be so paid pursuant to this Section 7.1 only if the Senior Note so delivered to the Paying Agent shall conform in all respects to the description thereof in the related Purchase Notice, as determined by the Company. If Global Senior Notes are outstanding, such notice must also comply with Applicable Procedures. "Applicable Procedures" means, with respect to any transfer or transaction involving a Global Senior Note or beneficial interest therein, the rules and procedures of the Depositary for such Global Senior Note, in each case to the extent applicable to such transaction and as in effect from time to time.

If a Holder, in such Holder's Purchase Notice and in any written notice of withdrawal delivered by such Holder pursuant to the terms of Section 7.3, fails to indicate such Holder's choice with respect to the election set forth in clause (D) of Section 7.1(a)(1), such Holder shall be deemed to have elected to receive cash in respect of the entire Purchase Price for all Senior Notes subject to such Purchase Notice in the circumstances set forth in such clause (D).

The Company shall purchase from the Holder thereof, pursuant to this Section 7.1, a portion of a Senior Note if the principal amount of such portion is \$1,000 or an integral multiple of \$1,000. Provisions of this Indenture that apply to the purchase of all of a Senior Note also apply to the purchase of such portion of such Senior Note.

Any purchase by the Company contemplated pursuant to the provisions of this Section 7.1 shall be consummated by the delivery of the consideration to be received by the Holder promptly following the later of the Purchase Date and the time of delivery of the Senior Note.

Notwithstanding anything herein to the contrary, any Holder delivering to the Paying Agent the Purchase Notice contemplated by this Section 7.1(a) shall have the right to withdraw such Purchase Notice at any time prior to the close of business on the Business Day preceding the Purchase Date by delivery of a written notice of withdrawal to the Paying Agent in accordance with Section 7.3.

The Paying Agent shall promptly notify the Company of the receipt by it of any Purchase Notice or written notice of withdrawal thereof.

(b) Company's Right to Elect Manner of Payment of Purchase Price for Payment. The Senior Notes to be purchased on any Purchase Date pursuant to Section 7.1(a) may be paid for, at the election of the Company, in U.S. legal tender ("cash") or shares of Common Stock, or in any combination of cash and shares of Common Stock, subject to the conditions set forth in Section 7.1(c). The Company shall designate, in the Company Notice delivered pursuant to Section 7.1(d), which shall be sent to Holders (and to beneficial owners as required by applicable law) not less than 20 Business Days prior to the Purchase Date (the "Company Notice Date"), whether the Company will purchase the Senior Notes for cash or shares of Common Stock, or, if a combination thereof, the percentages of the Purchase Price of Senior Notes in respect of which it will pay in cash and shares of Common Stock; provided, however, that the Company will pay cash for fractional shares of Common Stock. For purposes of determining the existence of potential fractional shares, all Senior Notes subject to purchase by the Company held by a Holder shall be considered together (no matter how many separate

certificates are to be presented). Each Holder whose Senior Notes are purchased pursuant to this Section 7.1 shall receive the same percentage of cash or shares of Common Stock in payment of the Purchase Price for such Senior Notes, except (i) as provided in paragraph 7.1(c) with regard to the payment of cash in lieu of fractional shares of Common Stock and (ii) in the event that the Company is unable to purchase the Senior Notes of a Holder or Holders for shares of Common Stock because any necessary qualifications or registrations of the shares of Common Stock under applicable state securities laws cannot be obtained, the Company may purchase the Senior Notes of such Holder or Holders for cash. The Company may not change its election with respect to the consideration (or components or percentages of components thereof) to be paid once the Company has given its Company Notice to Holders of Senior Notes except pursuant to this paragraph 7.1(b) or pursuant to Section 7.1(c) in the event of a failure to satisfy, prior to the close of business on the Purchase Date, any condition to the payment of the Purchase Price, in whole or in part, in Common Stock.

At least three Business Days before the Company Notice Date, the Company shall deliver an Officers' Certificate to the Trustee specifying:

- (1) the manner of payment selected by the Company;
- (2) the information required by paragraph 7.1(d);
- (3) if the Company elects to pay the Purchase Price, or a specified percentage thereof, in Common Stock, that the conditions to such manner of payment set forth in Section 7.1(c) have been or will be complied with; and
- (4) whether the Company desires the Trustee to give the Company Notice required by Section 7.1(d).

(c) Payment by Issuance of Shares of Common Stock. At the option of the Company, the Purchase Price of Senior Notes in respect of which a Purchase Notice pursuant to Section 7.1(a) has been given, or a specified percentage thereof, may be paid by the Company by the issuance of a number of shares of Common Stock equal to the quotient obtained by dividing (i) the amount of cash to which the Holders of Senior Notes would have been entitled had the Company elected to pay all or such specified percentage, as the case may be, of the Purchase Price of such Senior Notes in cash by (ii) the Market Price of shares of Common Stock, subject to the next succeeding paragraph.

The Company will not issue a fractional shares of Common Stock in payment of the Purchase Price. Instead the Company will pay cash for the current Market Price of the fractional share. The current Market Price of a fraction of a share shall be determined by multiplying the Market Price by such fraction and rounding the product to the nearest whole cent with one-half cent being rounded upward. It is understood that if a Holder elects to have more than one Senior Note purchased, the number of shares of Common Stock shall be based on the aggregate amount of Senior Notes to be purchased.

If the Company elects to purchase the Senior Notes by the issuance of shares of Common Stock, the Company Notice, as provided in Section 7.1(d), shall be sent to the Holders (and to beneficial owners as required by applicable law) not later than the Company Notice Date.

The Company's right to exercise its election to purchase Senior Notes through the issuance of shares of Common Stock shall be conditioned upon:

- (1) the Company's not having given its Company Notice of an election to pay entirely in cash and its giving of timely Company Notice of election to purchase all or a specified percentage of the Senior Notes with shares of Common Stock as provided herein;
- (2) the registration of such shares of Common Stock under the Securities Act of 1933, as amended (the "Securities Act"), or the Securities Exchange Act of 1934, as amended (the "Exchange Act"), in each case, if required;
- (3) such shares of Common Stock shall have been listed on the principal national securities exchange (currently the NYSE) on which the Common Stock is listed;
- (4) any necessary qualification or registration under applicable state securities laws or the availability of an exemption from such qualification and registration; and
- (5) the receipt by the Trustee of an Officers' Certificate and an Opinion of Counsel each stating that (A) the terms of the issuance of the shares of Common Stock are in conformity with this Certificate and the Indenture and (B) the shares of Common Stock to be issued by the Company in payment of the Purchase Price in respect of Senior Notes have been duly authorized and, when issued and delivered pursuant to the terms of this Certificate and the Indenture in payment of the Purchase Price in respect of the Senior Notes, will be validly issued, fully paid and non-assessable and, to the best of such counsel's knowledge, free from preemptive rights, and, in the case of such Officers' Certificate, stating that the conditions above and the condition set forth in the second succeeding sentence have been satisfied and, in the case of such Opinion of Counsel, stating that the conditions above have been satisfied.

Such Officers' Certificate shall also set forth (i) the number of shares of Common Stock to be issued for each \$1,000 principal amount of Senior Notes, (ii) the Sale Price of a share of Common Stock on each trading day during the period commencing on the first trading day of the period during which the Market Price is calculated and ending on the third Business Day prior to the applicable Purchase Date and (iii) the Market Price of the Common Stock. The Company may pay the Purchase Price (or any portion thereof) in shares of Common Stock only if the information necessary to calculate the Market Price is published in a daily newspaper of national circulation or is otherwise publicly available (e.g., by dissemination on the World Wide Web or by other public means). If the foregoing conditions are not satisfied with respect to a Holder or Holders prior to the close of business on the Purchase Date and the Company has elected to purchase the Senior Notes pursuant to this Section 7.1 through the issuance of shares of Common Stock, the Company shall pay the entire Purchase Price of the Senior Notes of such Holder or Holders in cash.

The "Market Price" means the average of the Sale Price of the shares of Common Stock for the five NYSE trading day period ending on the third Business Day prior to the applicable Purchase Date or Change in Control Purchase Date, as the case may be (if the third Business Day prior to the Purchase Date or Change in Control Purchase Date, as the case may be, is a NYSE trading day, or if not, then on the last NYSE trading day prior to such third Business Day), appropriately adjusted to take into account the occurrence, during the period commencing on the first of the NYSE trading days during such five NYSE trading day period and ending on such Purchase Date or Change in Control Purchase Date, as the case may be, of any event described in Section 5.6; subject, however, to the conditions set forth in Sections 5.7 and 5.8 hereof. If the shares of Common Stock are not listed on the NYSE, then the Market Price shall be determined by reference to the Sale Price as reported by the National Association of Securities Dealers Automated Quotation System ("NASDAQ"). In the absence of such quotations, the Company shall be entitled to determine the Market Price by reference to the Sales Price on any date on the basis of such quotations as it considers appropriate.

The "Sale Price" of the shares of Common Stock on any date means the closing per share sale price on the NYSE (or, if no closing sale price is reported, the average of the bid and ask prices or, if more than one in either case, the average of the average bid and average ask prices) on such date as reported on the NYSE or, if the shares of Common Stock are not listed on the NYSE, as reported by the NASDAQ. In the absence of such quotations, the Company shall be entitled to determine the Sales Price on any date on the basis of such quotations as it considers appropriate.

Upon determination of the actual number of shares of Common Stock to be issued for each \$1,000 principal amount of Senior Notes, the Company will publish such determination on the Company's Web site on the World Wide Web or through such other public medium as the Company may use at such time and through a press release on Dow Jones & Company, Inc. or Bloomberg Business News not later than the third Business Day prior to the relevant Purchase Date.

(d) **Notice of Election.** In connection with any purchase of Senior Notes pursuant to the first paragraph of Paragraph 5 of the Senior Notes, the Company shall give notice to Holders setting forth information specified in this Section 7.1(d) (the "Company Notice").

In the event the Company has elected to pay the Purchase Price (or a specified percentage thereof) with shares of Common Stock, the Company Notice shall:

(a) state that each Holder will receive shares of Common Stock with a Market Price determined as of a specified date prior to the Purchase Date equal to such specified percentage of the Purchase Price of the Senior Notes held by such Holder (except any cash amount to be paid in lieu of fractional shares);

(b) set forth the method of calculating the Market Price of the shares of Common Stock; and

(c) state that because the Market Price of shares of Common Stock will be determined prior to the Purchase Date, Holders will bear the market risk with

respect to the value of the shares of Common Stock to be received from the date such Market Price is determined to the Purchase Date.

In any case, each Company Notice shall include a form of Purchase Notice to be completed by a Holder of Senior Notes and shall state:

- (1) the Purchase Price and the Conversion Price;
- (2) the name and address of the Paying Agent and the Conversion Agent;
- (3) that Senior Notes as to which a Purchase Notice has been given may be converted if they are otherwise convertible only in accordance with Article 5 hereof and Paragraph 6 of the Senior Notes if the applicable Purchase Notice has been withdrawn in accordance with the terms of this Indenture;
- (4) that Senior Notes must be surrendered to the Paying Agent to collect payment;
- (5) that the Purchase Price for any security as to which a Purchase Notice has been given and not withdrawn will be paid promptly following the later of the Purchase Date and the time of surrender of such Senior Note as described in (4);
- (6) the procedures the Holder must follow to exercise its put rights under Section 7.1 and a brief description of those rights;
- (7) briefly, the conversion rights of the Senior Notes;
- (8) the procedures for withdrawing a Purchase Notice (including, without limitation, for a conditional withdrawal pursuant to the terms of Section 7.1(a)(1)(D) or Section 7.3);
- (9) that, unless the Company defaults in making payment on Senior Notes for which a Purchase Notice has been submitted, interest on such Senior Notes will cease to accrue on the Purchase Date; and
- (10) the CUSIP number of the Senior Notes.

At the Company's request, the Trustee shall give such Company Notice in the Company's name and at the Company's expense; provided, however, that, in all cases, the text of such Company Notice shall be prepared by the Company.

(e) Covenants of the Company. All shares of Common Stock delivered upon purchase of the Senior Notes shall be newly issued shares or treasury shares, shall be duly authorized, validly issued, fully paid and nonassessable, and shall be free from preemptive rights and free of any lien or adverse claim.

(f) Procedure upon Purchase. The Company shall deposit cash (in respect of cash purchases under Section 7.1 or for fractional shares, as applicable) or shares of Common Stock in respect of payment by issuance of shares of Common Stock under Section 7.1(c), except for fractional shares, or a combination thereof, as applicable, at the time and in the manner as provided in Section 7.4, sufficient to pay the aggregate Purchase Price of all Senior Notes to be purchased pursuant to this Section 7.1. As soon as practicable after the Purchase Date, the Company shall deliver to each Holder entitled to receive shares of Common Stock through the Paying Agent a certificate for the number of full shares of Common Stock issuable in payment of the Purchase Price and cash in lieu of any fractional shares. The person in whose name the certificate for shares of Common Stock is registered shall be treated as a holder of record of Common Stock on the Business Day following the Purchase Date. No payment or adjustment will be made for dividends on the shares of Common Stock the record date for which occurred on or prior to the Purchase Date.

(g) Taxes. If a Holder of a purchased Senior Note (pursuant to this Section 7.1 or Section 7.2) is paid in shares of Common Stock, the Company shall pay any documentary, stamp or similar issue or transfer tax due on such issue of Common Stock. However, the Holder shall pay any such tax which is due because the Holder requests the Common Stock to be issued in a name other than the Holder's name. The Paying Agent may refuse to deliver the certificates representing the shares of Common Stock being issued in a name other than the Holder's name until the Paying Agent receives a sum sufficient to pay any tax which will be due because the shares of Common Stock are to be issued in a name other than the Holder's name. Nothing herein shall preclude any income tax withholding required by law or regulations.

Section 7.2 Purchase of Senior Notes at Option of the Holder upon Change in Control. (a) If a Change in Control occurs, all but not less than all of the Senior Notes held by any Holder shall be purchased by the Company, at the option of the Holder thereof, at a purchase price specified in Paragraph 5 of the Senior Notes (the "Change in Control Purchase Price"), as of the date that is 45 days after the date of the Change in Control Notice delivered by the Company (the "Change in Control Purchase Date"), subject to satisfaction by or on behalf of the Holder of the requirements set forth in Section 7.2(c).

A "Change in Control" shall be deemed to have occurred at such time as either of the following events shall occur:

(i) any person, including any syndicate or group deemed to be a "person" under Section 13(d)(3) of the Exchange Act, acquires beneficial ownership, directly or indirectly, through a purchase, merger or other acquisition transaction or series of transactions, of shares of the Company's Capital Stock entitling the person to exercise 50% or more of the total voting power of all shares of the Company's Capital Stock that are entitled to vote generally in elections of directors, other than an acquisition by the Company, any of its Subsidiaries or any of its employee benefit plans; or

(ii) the Company merges or consolidates with or into any other person, any merger of another person into the Company, or the Company conveys, sells, transfers or leases all or substantially all of its assets to another person, other than any transaction: (A) that does not result in any reclassification, conversion, exchange or cancellation of outstanding shares of the

Company's Capital Stock, or (B) pursuant to which the holders of Common Stock immediately prior to the transaction have the entitlement to exercise, directly or indirectly, 50% or more of the total voting power of all shares of Capital Stock entitled to vote generally in the election of directors of the continuing or surviving corporation immediately after the transaction, or (C) which is effected solely to change the Company's jurisdiction of incorporation and results in a reclassification, conversion or exchange of outstanding shares of the Company's Common Stock solely into shares of Common Stock of the surviving entity.

Notwithstanding the foregoing provisions of this Section 7.2, a Change in Control shall not be deemed to have occurred if (A) the closing price per share of Common Stock on the NYSE for any five NYSE trading days within the period of 10 consecutive NYSE trading days ending immediately after the later of the Change in Control or the public announcement of the Change in Control, in the case of a Change in Control relating to an acquisition of Capital Stock, or the period of 10 consecutive NYSE trading days ending immediately before the Change in Control, in the case of Change in Control relating to a merger, consolidation or asset sale, equals or exceeds 105% of the Conversion Price of the Senior Notes in effect on each of those NYSE trading days or (B) all of the consideration (excluding cash payments for fractional shares and cash payments made pursuant to dissenters' appraisal rights) in a merger or consolidation otherwise constituting a Change in Control under clause (i) and/or clause (ii) above consists of shares of common stock traded on a national securities exchange or quoted on the Nasdaq National Market (or will be so traded or quoted immediately following the merger or consolidation) and as a result of the merger or consolidation the Senior Notes become convertible into such common stock. For purposes of this Section 7.2, (x) the Conversion Price is equal to \$1,000 divided by the Conversion Rate, (y) whether a person is a "beneficial owner" shall be determined in accordance with Rule 13d-3 under the Exchange Act and (z) "person" includes any syndicate or group that would be deemed to be a "person" under Section 13(d)(3) of the Exchange Act. If the shares of Common Stock are not listed on the NYSE at the relevant time, closing prices and trading days shall be calculated as reported by the NASDAQ.

At the option of the Company, the Change in Control Purchase Price of Senior Notes in respect of which a Change in Control Purchase Notice pursuant to Section 7.2(b) has been given may be paid by the Company by the issuance of a number of shares of Common Stock equal to the quotient obtained by dividing (i) the product of (A) the amount of cash to which the Holders of Senior Notes would have been entitled had the Company elected to pay all of the Change in Control Purchase Price of such Senior Notes in cash and (B) 0.95, by (ii) the Market Price of shares of Common Stock, subject to the next succeeding paragraph.

The Company will not issue fractional shares of Common Stock in payment of the Change in Control Purchase Price. Instead the Company will pay cash for the current Market Price of the fractional share. The current Market Price of a fraction of a share shall be determined by multiplying the Market Price by such fraction and rounding the product to the nearest whole cent, with one-half cent being rounded upward. It is understood that if a Holder elects to have more than one Senior Note purchased, the number of shares of Common Stock shall be based on the aggregate amount of Senior Notes to be purchased.

In the event that the Company is unable to purchase the Senior Notes of a Holder or Holders for shares of Common Stock because any necessary qualifications or registrations of the

shares of Common Stock under applicable state securities laws cannot be obtained, the Company may purchase the Senior Notes of such Holder or Holders for cash. The Company may not change its election with respect to the consideration to be paid once the Company has given its Change in Control Notice to Holders of Senior Notes except pursuant to this Section 7.2(a) or pursuant to Section 7.2(b) in the event of a failure to satisfy, prior to the close of business on the Change in Control Purchase Date, any condition to the payment of the Change in Control Purchase Price in Common Stock.

At least three Business Days before the Change in Control Notice Date (as defined below), the Company shall deliver an Officers' Certificate to the Trustee specifying:

- (i) the manner of payment selected by the Company;
- (ii) the information required by Section 7.2(b);
- (iii) if the Company elects to pay the Change in Control Purchase Price in Common Stock, that the conditions to such manner of payment set forth in Section 7.2(a) have been or will be complied with; and
- (iv) whether the Company desires the Trustee to give the Change in Control Notice required by Section 7.2(b).

The Company's right to exercise its election to purchase Senior Notes through the issuance of shares of Common Stock shall be conditioned upon:

- (i) the Company's giving of timely Change in Control Notice to purchase all of the Senior Notes with shares of Common Stock as provided herein;
- (ii) the registration of such shares of Common Stock under the Securities Act or the Exchange Act, in each case, if required;
- (iii) such shares of Common Stock shall have been listed on the principal national securities exchange (currently the NYSE) on which the Common Stock is listed;
- (iv) any necessary qualification or registration under applicable state securities laws or the availability of an exemption from such qualification and registration; and
- (v) the receipt by the Trustee of an Officers' Certificate and an Opinion of Counsel each stating that (A) the terms of the issuance of the shares of Common Stock are in conformity with this Certificate and the Indenture and (B) the shares of Common Stock to be issued by the Company in payment of the Change in Control Purchase Price in respect of Senior Notes have been duly authorized and, when issued and delivered pursuant to the terms of this Certificate and the Indenture in payment of the Change in Control Purchase Price in respect of the Senior Notes, will be validly issued, fully paid and non-assessable and, to the best of such counsel's knowledge, free from preemptive rights, and, in the case of such Officers' Certificate, stating that the conditions above and the condition set forth in the second succeeding sentence have been satisfied and, in the case of such Opinion of Counsel, stating that the conditions above have been satisfied.

Such Officers' Certificate shall also set forth (i) the number of shares of Common Stock to be issued for each \$1,000 principal amount of Senior Notes, (ii) the Sale Price of a share of Common Stock on each trading day during the period commencing on the first trading day of the period during which the Market Price is calculated and ending on the third Business Day prior to the Change in Control Purchase Date and (iii) the Market Price of the Common Stock. The Company may pay the Change in Control Purchase Price in shares of Common Stock only if the information necessary to calculate the Market Price is published in a daily newspaper of national circulation or is otherwise publicly available (e.g., by dissemination on the World Wide Web or by other public means). If the foregoing conditions are not satisfied with respect to a Holder or Holders prior to the close of business on the Change in Control Purchase Date and the Company has elected to purchase the Senior Notes pursuant to this Section 7.2 through the issuance of shares of Common Stock, the Company shall pay the entire Purchase Price of the Senior Notes of such Holder or Holders in cash.

Upon determination of the actual number of shares of Common Stock to be issued for each \$1,000 principal amount of Senior Notes (not later than the third Business Day prior to the Change in Control Purchase Date), the Company will publish such determination on the Company's Web site on the World Wide Web or through such other public medium as the Company may use at such time and through a press release on Dow Jones & Company, Inc. or Bloomberg Business News not later than the third Business Day prior to the Change in Control Purchase Date.

(b) No later than 30 days after the occurrence of a Change in Control, the Company shall mail a written notice of the Change in Control (the "Change in Control Notice", the date of such mailing, the "Change in Control Notice Date") by first-class mail to the Trustee and to each Holder (and to beneficial owners to the extent required by applicable law). The notice shall include a form of Change in Control Purchase Notice to be completed by the Holder that wishes to exercise rights under this Section 7.2 and shall state:

- (1) briefly, the events causing a Change in Control and the date of such Change in Control;
- (2) the date by which the Change in Control Purchase Notice pursuant to this Section 7.2 must be given;
- (3) the Change in Control Purchase Date;
- (4) the Change in Control Purchase Price;
- (5) the name and address of the Paying Agent and the Conversion Agent;
- (6) the Conversion Rate and any adjustments thereto;
- (7) that Senior Notes as to which a Change in Control Purchase Notice has been given may be converted if they are otherwise convertible pursuant to Article 5 hereof and paragraph 6 of the Notes only if

- the Change in Control Purchase Notice has been withdrawn in accordance with the terms of this Indenture;
- (8) that Senior Notes must be surrendered to the Paying Agent to collect payment;
- (9) that the Change in Control Purchase Price for any Senior Note as to which a Change in Control Purchase Notice has been duly given and not withdrawn will be paid promptly following the later of the Change in Control Purchase Date and the time of surrender of such Senior Note as described in (8);
- (10) briefly, the procedures the Holder must follow to exercise rights under this Section 7.2;
- (11) briefly, the conversion rights, if any, of the Senior Notes;
- (12) the procedures for withdrawing a Change in Control Purchase Notice;
- (13) that, unless the Company defaults in making payment of such Change in Control Purchase Price, interest on Senior Notes surrendered for purchase by the Company will cease to accrue on and after the Change in Control Purchase Date; and
- (14) the CUSIP numbers of the Senior Notes.

In the event the Company has elected to pay the Change in Control Purchase Price with shares of Common Stock, the Change in Control Notice shall:

- (1) state that the Company will pay the Change in Control Purchase Price with shares of Common Stock;
- (2) set forth the method of calculating the number of shares of Common Stock to be paid; and
- (3) state that because the Market Price of shares of Common Stock will be determined prior to the Change in Control Purchase Date, Holders will bear the market risk with respect to the value of the shares of Common Stock to be received from the date such Market Price is determined to the Change in Control Purchase Date.

(c) A Holder may exercise its rights specified in Section 7.2(a) upon delivery of a written notice of purchase (a "Change in Control Purchase Notice") to the Paying Agent at any time on or prior to the 30th day after the Company delivers its Change in Control Purchase Notice, stating:

- (1) the certificate number of the Senior Note which the Holder will deliver to be purchased;
- (2) the portion of the principal amount of the Senior Note which the Holder will deliver to be purchased, which portion must be \$1,000 or an integral multiple thereof;
- (3) that such Senior Note shall be purchased pursuant to the terms and conditions specified in Paragraph 5 of the Senior Notes; and
- (4) in the event the Company elects, pursuant to Section 7.2(b), to pay the Change in Control Purchase Price in shares of Common Stock but the Change in Control Purchase Price shall ultimately be payable to such Holder in cash because any of the conditions to payment of the Change in Control Purchase Price in shares of Common Stock are not satisfied prior to the close of business on the Change in Control Purchase Date, whether such Holder elects (i) to withdraw such Change in Control Purchase Notice as to some or all of the Senior Notes to which such Change in Control Purchase Notice relates (stating the principal amount and certificate numbers, if any, of the Senior Notes as to which such withdrawal shall relate), or (ii) to receive cash in respect of the entire Change in Control Purchase Price for all Senior Notes (or portions thereof) to which such Change in Control Purchase Notice relates.

If a Holder, in such Holder's Change in Control Purchase Notice and in any written notice of withdrawal delivered by such Holder pursuant to the terms of Section 7.3, fails to indicate such Holder's choice with respect to the election set forth in clause (4) above, such Holder shall be deemed to have elected to receive cash in respect of the Change in Control Purchase Price for all Senior Notes subject to such Change in Control Purchase Notice in the circumstances set forth in such clause (4).

The delivery of such Senior Note to the Paying Agent with the Change in Control Purchase Notice (together with all necessary endorsements) at the offices of the Paying Agent shall be a condition to the receipt by the Holder of the Change in Control Purchase Price therefor; provided, however, that such Change in Control Purchase Price shall be so paid pursuant to this Section 7.2 only if the Senior Note so delivered to the Paying Agent shall conform in all respects to the description thereof set forth in the related Change in Control Purchase Notice.

The Company shall purchase from the Holder thereof, pursuant to this Section 7.2, a portion of a Senior Note if the principal amount of such portion is \$1,000 or an integral multiple of \$1,000. Provisions of this Certificate and the Indenture that apply to the purchase of all of a Senior Note also apply to the purchase of such portion of such Senior Note.

Any purchase by the Company contemplated pursuant to the provisions of this Section 7.2 shall be consummated by the delivery of the consideration to be received by the Holder on the Change in Control Purchase Date.

(d) Covenants of the Company. All shares of Common Stock delivered upon purchase of the Senior Notes shall be newly issued shares or treasury shares, shall be duly authorized, validly issued, fully paid and nonassessable, and shall be free from preemptive rights and free of any lien or adverse claim.

(e) Procedure upon Purchase. The Company shall deposit cash (in respect of a cash purchases under Section 7.2 or for fractional shares of Common Stock, as applicable) or shares of Common Stock, or a combination thereof, as applicable, at the time and in the manner as provided in Section 7.4, sufficient to pay the aggregate Change in Control Purchase Price of all Senior Notes to be purchased pursuant to this Section 7.2. As soon as practicable after the Change in Control Purchase Date, the Company shall deliver to each Holder entitled to receive shares of Common Stock through the Paying Agent a certificate for the number of full shares of Common Stock issuable in payment of the Change in Control Purchase Price and cash in lieu of any fractional shares. The person in whose name the certificate for shares of Common Stock is registered shall be treated as a holder of record of Common Stock on the Business Day following the Change in Control Purchase Date. No payment or adjustment will be made for dividends on the shares of Common Stock the record date for which occurred on or prior to the Change in Control Purchase Date.

Section 7.3. Effect of Purchase Notice or Change in Control Purchase Notice. Upon receipt by the Paying Agent of the Purchase Notice or Change in Control Purchase Notice specified in Section 7.1(a) or Section 7.2(c), as applicable, the Holder of the Senior Note in respect of which such Purchase Notice or Change in Control Purchase Notice, as the case may be, was given shall (unless such Purchase Notice or Change in Control Purchase Notice, as the case may be, is withdrawn as specified in the following two paragraphs) thereafter be entitled to receive solely the Purchase Price or Change in Control Purchase Price, as the case may be, with respect to such Senior Note. Such Purchase Price or Change in Control Purchase Price shall be paid to such Holder, subject to receipts of funds and/or securities by the Paying Agent, promptly following the later of (x) the Purchase Date or the Change in Control Purchase Date, as the case may be, with respect to such Senior Note (provided the conditions in Section 7.1(a) or Section 7.2(c), as applicable, have been satisfied) and (y) the time of delivery of such Senior Note to the Paying Agent by the Holder thereof in the manner required by Section 7.1(a) or Section 7.2(c), as applicable. Senior Notes in respect of which a Purchase Notice or Change in Control Purchase Notice has been given by the Holder thereof may not be converted pursuant to the provisions hereof on or after the date of the delivery of such Purchase Notice or Change in Control Purchase Notice, unless such Purchase Notice or Change in Control Purchase Notice has first been validly withdrawn as specified in the following two paragraphs.

A Purchase Notice or Change in Control Purchase Notice may be withdrawn by means of a written notice of withdrawal delivered to the office of the Paying Agent in accordance with the Purchase Notice or Change in Control Purchase Notice, as the case may be, at any time prior to the close of business on the last Business Day prior to the Purchase Date or Change in Control Purchase Date, as the case may be, specifying:

- (1) the certificate number, if any, of the Senior Note in respect of which such notice of withdrawal is being submitted;

- (2) the principal amount of the Senior Note with respect to which such notice of withdrawal is being submitted, and
- (3) the principal amount, if any, of such Senior Note which remains subject to the original Purchase Notice or Change in Control Purchase Notice, as the case may be, and which has been or will be delivered for purchase by the Company.

A written notice of withdrawal of a Purchase Notice or Change in Control Purchase Notice, as the case may be, may be in the form set forth in the preceding paragraph or may be in the form of (i) a conditional withdrawal contained in a Purchase Notice pursuant to the terms of Section 7.1(a)(1)(D) or a Change in Control Purchase Notice pursuant to the terms of Section 7.2(c)(4), as the case may be, or (ii) a conditional withdrawal containing the information set forth in Section 7.1(a)(1)(D) or 7.2(c)(4), as the case may be, and the preceding paragraph and contained in a written notice of withdrawal delivered to the Paying Agent as set forth in the preceding paragraph.

The Paying Agent will promptly return to the respective Holders thereof any Senior Notes (x) with respect to which a Purchase Notice or Change in Control Purchase Notice, as the case may be, has been withdrawn in compliance with this Certificate or the Indenture, or (y) held by it during the continuance of an Event of Default (other than a default in the payment of the Purchase Price or Change in Control Purchase Price, as the case may be, with respect to such Senior Notes) in which case, upon such return, the Purchase Notice or Change in Control Purchase Notice with respect thereto shall be deemed to have been withdrawn.

Section 7.4. Deposit of Purchase Price or Change in Control Purchase Price. Prior to 10:00 a.m. (local time in the City of New York) on the Purchase Date or the Change in Control Purchase Date, as the case may be, the Company shall deposit with the Trustee or with the Paying Agent (or, if the Company or a Subsidiary or an Affiliate of either of them is acting as the Paying Agent, shall segregate and hold in trust as provided in the Indenture) an amount of cash (in immediately available funds if deposited on such Business Day) or Common Stock, if permitted hereunder, sufficient to pay the aggregate Purchase Price or Change in Control Purchase Price, as the case may be, of all the Senior Notes or portions thereof which are to be purchased as of the Purchase Date or Change in Control Purchase Date, as the case may be.

Section 7.5 Senior Notes Purchased in Part. Any certificated Senior Note which is to be purchased only in part shall be surrendered at the office of the Paying Agent (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder thereof or such Holder's attorney duly authorized in writing) and the Company shall execute and the Trustee shall authenticate and deliver to the Holder of such Senior Note, without service charge, a new Senior Note or Senior Notes, of any authorized denomination as requested by such

Holder in aggregate principal amount equal to, and in exchange for, the portion of the principal amount of the Senior Note so surrendered which is not purchased.

Section 7.6 Covenant to Comply With Securities Laws Upon Purchase of Senior Notes. When complying with the provisions of Section 7.1 or 7.2 hereof (provided that such offer or purchase constitutes an "issuer tender offer" for purposes of Rule 13e-4 (which term, as used herein, includes any successor provision thereto) under the Exchange Act at the time of such offer or purchase), the Company shall (i) comply with Rule 13e-4 and Rule 14e-1 (or any successor provision) under the Exchange Act, (ii) file the related Schedule TO (or any successor schedule, form or report) under the Exchange Act, and (iii) otherwise comply with all Federal and state securities laws so as to permit the rights and obligations under Sections 7.1 and 7.2 to be exercised in the time and in the manner specified in Sections 7.1 and 7.2.

THE HOLDER OF THIS SENIOR NOTE AND SUCH SHARES SHALL BE DEEMED BY THE ACCEPTANCE OF THIS SENIOR NOTE AND ANY SUCH SHARES TO HAVE AGREED TO ANY SUCH AMENDMENT OR SUPPLEMENT.

Section 8.2. Transfer of Global Senior Note. (a) A Global Senior Note may not be transferred, in whole or in part, to any person other than the Depositary or a nominee or any successor thereof, and no such transfer to any such other person may be registered; provided that this Section 8.2(a) shall not prohibit any transfer of a Senior Note that is issued in exchange for a Global Senior Note but is not itself a Global Senior Note. No transfer of a Global Senior Note to any person shall be effective under this Certificate, the Indenture or the Global Senior Notes unless and until such Global Senior Note has been registered in the name of such person. Nothing in this Section 8.2 shall prohibit or render ineffective any transfer of a beneficial interest in a Global Senior Note effected in accordance with the other provisions of this Article 8.

(b) **Restrictions on Transfer of a Beneficial Interest in a Global Senior Note for a Certificated Senior Note.** A beneficial interest in a Global Senior Note may not be exchanged for a certificated Senior Note except upon satisfaction of the requirements set forth below. Upon receipt by the Trustee of a transfer of a beneficial interest in a Global Senior Note in accordance with Applicable Procedures for a certificated Senior Note in the form satisfactory to the Trustee, together with:

- (i) so long as the Global Notes are "Restricted Securities" (as such term is used in accordance with the restrictions on transfer and resale set out in the Securities Act), certification in the form set forth in Exhibit A-1;
- (ii) written instructions to the Trustee to make, or direct the Registrar to make, an adjustment on its books and records with respect to such Global Senior Note to reflect a decrease in the aggregate principal amount of the Senior Notes represented by the Global Senior Notes, such instructions to contain information regarding the Depositary account to be credited with such decrease; and

(iii) if the Company so requests, an opinion of counsel or other evidence reasonably satisfactory to it as to the compliance with the restrictions set forth in the Legend, then the Trustee shall cause, or direct the Registrar to cause, in accordance with the standing instructions and procedures existing between the Depositary and the Registrar, the aggregate principal amount of Senior Notes represented by the Global Senior Note to be decreased by the aggregate principal amount of the certificated Senior Note to be issued, shall issue such certificated Senior Note and shall debit or cause to be debited to the account of the person specified in such instructions a beneficial interest in the Global Senior Note equal to the principal amount of the certificated Senior Note so issued.

(c) Transfer and Exchange of Certificated Senior Notes. When certificated Senior Notes are presented to the Registrar with a request:

- (i) to register the transfer of such certificated Senior Notes; or
- (ii) to exchange such Certificated Securities for an equal principal amount of certificated Senior Notes of other authorized denominations,

the Registrar shall register the transfer or make the exchange as requested if its reasonable requirements for such transaction are met; provided, however, that the Certificated Senior Notes surrendered for transfer or exchange:

(4) shall be duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Registrar, duly executed by the Holder thereof or his attorney duly authorized in writing; and

(5) so long as such Senior Notes are Restricted Securities, such Senior Notes are being transferred or exchanged pursuant to an effective registration statement under the Securities Act or pursuant to clause (A), (B) or (C) below, and are accompanied by the following additional information and documents, as applicable:

- (A) if such certificated Senior Note are being delivered to the Registrar by a Holder for registration in the name of such Holder, without transfer, a certification from such Holder to that effect; or
- (B) if such certificated Senior Note are being transferred to the Company, a certification to that effect; or
- (C) if such certificated Senior Note are being transferred pursuant to an exemption from registration, (i) a certification to that effect (in the form set forth in Exhibit A-1, if applicable) and (ii) if the Company so requests, an opinion of counsel or other evidence reasonably satisfactory to it as to the compliance with the restrictions set forth in the Legend.

(d) Restrictions on Transfer of a Certificated Senior Note for a Beneficial Interest in a Global Senior Note. A certificated Senior Note may not be exchanged for a beneficial interest in a Global Senior Note except upon satisfaction of the requirements set forth below.

Upon receipt by the Trustee of a certificated Senior Note, duly endorsed or accompanied by appropriate instruments of transfer, in form satisfactory to the Trustee, together with:

(i) so long as the Senior Notes are Restricted Securities, certification, in the form set forth in Exhibit A-2, that such certificated Senior Note is being transferred to a "Qualified Institutional Buyer" (as defined in the Securities Act) in accordance with Rule 144A; and

(ii) written instructions directing the Trustee to make, or to direct the Registrar to make, an adjustment on its books and records with respect to such Global Senior Note to reflect an increase in the aggregate principal amount of the Senior Notes represented by the Global Senior Note, such instructions to contain information regarding the Depository account to be credited with such increase, then the Trustee shall cancel such certificated Senior Note and cause, or direct the Registrar to cause, in accordance with the standing instructions and procedures existing between the Depository and the Registrar, the aggregate principal amount of Senior Notes represented by the Global Senior Notes to be increased by the aggregate principal amount of the certificated Senior Note to be exchanged, and shall credit or cause to be credited to the account of the person specified in such instructions a beneficial interest in the Global Senior Note equal to the principal amount of the certificated Senior Note so cancelled. If no Global Senior Notes are then outstanding, the Company shall issue and the Trustee shall authenticate, upon written order of the Company in the form of an Officers' Certificate, a new Global Senior Note in the appropriate principal amount.

Subject to the succeeding paragraph, every Senior Note shall be subject to the restrictions on transfer provided in the Legend including the delivery of an opinion of counsel, if so provided. Whenever any Restricted Security is presented or surrendered for registration of transfer or for exchange for a Senior Note registered in a name other than that of the Holder, such Security must be accompanied by a certificate in substantially the form set forth in Exhibit A-1, dated the date of such surrender and signed by the Holder of such Senior Note, as to compliance with such restrictions on transfer. The Registrar shall not be required to accept for such registration of transfer or exchange any Senior Note not so accompanied by a properly completed certificate.

The restrictions imposed by the Legend upon the transferability of any Senior Note shall terminate at such times described in and in accordance with the provisions hereof.

As used in the preceding two paragraphs of this Section 8.2(d), the term "transfer" encompasses any sale, pledge, transfer, loan, hypothecation, hedge or other disposition of any Senior Note.

The provisions of clauses (1), (2), (3), (4) and (5) below shall apply only to Global Senior Notes:

(1) Notwithstanding any other provisions of this Indenture or the Senior Notes, except as provided in Section 8.2 hereof, a Global Senior Note shall not be exchanged in whole or in part for a Senior Note registered in the name of any person other than the Depositary or one or more nominees thereof, provided that a Global Security may be exchanged for Senior Notes registered in the names of any person designated by the Depositary in the event that (i) the Depositary has notified the Company that it is unwilling or unable to continue as Depositary for such Global Security or such Depositary has ceased to be a "clearing agency" registered under the Exchange Act, and a successor Depositary is not appointed by the Company within 90 days or (ii) an Event of Default has occurred and is continuing with respect to the Senior Notes. Any Global Senior Note exchanged pursuant to clause (i) above shall be so exchanged in whole and not in part, and any Global Senior Note exchanged pursuant to clause (ii) above may be exchanged in whole or from time to time in part as directed by the Depositary. Any Senior Note issued in exchange for a Global Senior Note or any portion thereof shall be a Global Senior Note; provided that any such Senior Note so issued that is registered in the name of a person other than the Depositary or a nominee thereof shall not be a Global Senior Note. The Company may, in its sole discretion, determine not to have Senior Notes represented by Global Senior Notes, in which case the Company shall issue Senior Notes in exchange for each Global Senior Note.

(2) Senior Notes issued in exchange for a Global Senior Note or any portion thereof shall be issued in definitive, fully registered form, without interest coupons, shall have an aggregate principal amount equal to that of such Global Senior Note or portion thereof to be so exchanged, shall be registered in such names and be in such authorized denominations as the Depositary shall designate and shall bear the applicable legends provided for herein. Any Global Senior Note to be exchanged in whole shall be surrendered by the Depositary to the Trustee, as Registrar. With regard to any Global Senior Note to be exchanged in part, either such Global Senior Note shall be so surrendered for exchange or, if the Trustee is acting as custodian for the Depositary or its nominee with respect to such Global Senior Note, the principal amount thereof shall be reduced by an amount equal to the portion thereof to be so exchanged, by means of an appropriate adjustment made on the records of the Trustee. Upon any such surrender or adjustment, the Trustee shall authenticate and deliver the Senior Note issuable on such exchange to or upon the order of the Depositary or an authorized representative thereof.

(3) Subject to the provisions of clause (5) below, the registered Holder may grant proxies and otherwise authorize any person, including Agent Members (as defined below) and persons that may hold interests through Agent Members, to take any action which a holder is entitled to take under this Certificate or the Senior Notes.

(4) In the event of the occurrence of any of the events specified in clause (1) above, the Company will promptly make available to the Trustee a reasonable supply of certificated Senior Notes in definitive, fully registered form, without interest coupons.

(5) Neither any members of, or participants in, the Depositary (collectively, the "Agent Members") nor any other persons on whose behalf Agent Members may act shall

have any rights under this Certificate with respect to any Global Senior Note registered in the name of the Depositary or any nominee thereof, or under any such Global Senior Note, and the Depositary or such nominee, as the case may be, may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner and holder of such Global Senior Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depositary or such nominee, as the case may be, or impair, as between the Depositary, its Agent Members and any other person on whose behalf an Agent Member may act, the operation of customary practices of such persons governing the exercise of the rights of a holder of any Senior Note.

ARTICLE 9 - MISCELLANEOUS

Section 9.1. Place of Payment. The principal of and interest on the Senior Notes shall be payable and the Senior Notes shall be converted and purchased at the office or agency of the Company maintained for that purpose, pursuant to the Indenture, in The City and State of New York; provided, however, that at the option of the Company such payment of interest may be made by wire transfer to an account at a financial institution located in the United States designated by the Person entitled thereto at least ten days prior to the payment thereof or by check mailed to the Person entitled thereto at the address of such Person as shall appear in the register for such Senior Notes.

Section 9.2. Transfer and Exchange. (a) Subject to the provisions below, upon surrender for registration of transfer of any Senior Note, together with a written instrument of transfer satisfactory to the Registrar duly executed by the Holder or such Holder's attorney duly authorized in writing, at the office or agency of the Company designated as Registrar or co-registrar pursuant to Section 2.3 of the Original Indenture, the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Senior Notes of any authorized denomination or denominations, of a like aggregate principal amount. The Company shall not charge a service charge for any registration of transfer or exchange, but the Company may require payment of a sum sufficient to pay all taxes, assessments or other governmental charges that may be imposed in connection with the transfer or exchange of the Senior Notes from the Holder requesting such transfer or exchange.

At the option of the Holder, Senior Notes may be exchanged for other Senior Notes of any authorized denomination or denominations, of a like aggregate principal amount, upon surrender of the Senior Notes to be exchanged, together with a written instrument of transfer satisfactory to the Registrar duly executed by the Holder or such Holder's attorney duly authorized in writing, at such office or agency. Whenever any Senior Notes are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Senior Notes which the Holder making the exchange is entitled to receive.

The Company shall not be required to make, and the Registrar need not register, transfers or exchanges of Senior Notes in respect of which a Purchase Notice or Change in Control Purchase Notice has been given and not withdrawn by the Holder thereof in accordance with the terms of this Certificate and the Indenture (except, in the case of Senior Notes to be purchased in part, the portion thereof not to be purchased).

(b) Notwithstanding any provision to the contrary herein, so long as a Global Senior Note remains outstanding and is held by or on behalf of the Depositary, transfers of a Global Senior Note, in whole or in part, shall be made only in accordance with Sections 8.2 9.2(b) of this Certificate. Transfers of a Global Senior Note shall be limited to transfers of such Global Senior Note in whole or in part to the Depositary, to nominees of the Depositary or to a successor of the Depositary or such successor's nominee.

(c) Successive registrations and registrations of transfers and exchanges as aforesaid may be made from time to time as desired, and each such registration shall be noted on the register for the Senior Notes.

(d) Any Registrar appointed pursuant to Section 2.4 of the Original Indenture shall provide to the Trustee such information as the Trustee may reasonably require in connection with the delivery by such Registrar of Senior Notes upon transfer or exchange of Senior Notes.

(e) If Senior Notes are issued upon the transfer, exchange or replacement of Senior Notes subject to restrictions on transfer and bearing the legends set forth on the form of Senior Note attached hereto as Exhibit A setting forth such restrictions (collectively, the "Legend"), or if a request is made to remove the Legend on a Senior Note, the Senior Notes so issued shall bear the Legend, or the Legend shall not be removed, as the case may be, unless there is delivered to the Company and the Registrar such satisfactory evidence, which shall include an Opinion of Counsel, as may be reasonably required by the Company that neither the Legend nor the restrictions on transfer set forth therein are required to ensure that transfers thereof comply with the provisions of Rule 144A or Rule 144 under the Securities Act or that such Senior Notes are not "restricted" within the meaning of Rule 144 under the Securities Act. Upon (i) provision of such satisfactory evidence, or (ii) notification to the Trustee and Registrar of the sale of such Senior Note pursuant to a registration statement that is effective at the time of such sale, the Trustee, at the written direction of the Company, shall authenticate and deliver a Senior Note that does not bear the Legend. If the Legend is removed from the face of a Senior Note and the Senior Note is subsequently held by the Company or an Affiliate of the Company, the Legend shall be reinstated. The Company shall inform the Trustee of the effectiveness of any registration statement registering the Senior Notes under the Securities Act. The Trustee shall not be liable for any action taken or omitted to be taken by it in good faith in accordance with the aforementioned Opinion of Counsel or registration statement.

(f) All Senior Notes purchased by the Company from any Holder or converted by any Holder are to be presented to the Trustee for cancellation and shall promptly thereafter be cancelled

Section 9.3. No Sinking Fund. The Senior Notes will not be subject to the operation of any sinking fund or an analogous provision.

Section 9.4. Appointment of Conversion Agent. If the Company shall fail to appoint a Conversion Agent for purposes of this Certificate and the Indenture, the Trustee shall automatically be designated as the Conversion Agent for purposes hereunder and under the Indenture.
